TOWNSHIP SOLICITOR

FIRM OF:
HAMBURG, RUBIN, MULLIN,
MAXWELL & LUPIN, P.C.

December 2, 2020

Dear Upper Merion Township Resident,

The Board of Supervisors has approved the construction of the Crow Creek Trail. This project will result in a continuous multi-use pedestrian/bicycle trail linking numerous neighborhoods and community facilities such as parks and schools. In addition to its recreational value, the trail will help make walking and bicycling an attractive transportation option for many local residents.

This letter serves to provide notice that the project began on December 2, 2020 and will continue thru the summer of 2021, as we are aware that your property abuts the township parkland or other public property through which the trail will pass upon completion. Should you notice any construction or crews in the public property or parkland areas, please be aware that the contractor on the project is James R. Kenney Excavating and Paving, Inc. and the construction management is being handled by the engineering firm of Gilmore & Associates.

To stay up-to-date on this project, or for additional information, please visit www.umtownship.org/crow-creek-trail/. Please contact me directly with any questions or concerns.

Sincerely,

Daniel C. Russell,
Director of Parks and Recreation
Upper Merion Township
