About the Upper Merion Foundation

The Upper Merion Foundation was created in 1999 and is a broad-based, non-profit, community organization. Our exclusive purpose is to secure resources to support programs that improve the quality of life for the residents of Upper Merion Township, specifically at-risk youth, persons with disabilities and/or chronic diseases including veterans, and senior citizens in need.

The Upper Merion Foundation relies on direct referrals from the UM Keep Our Neighbors Warm fund official partners. Residents eligible for emergency heating assistance are identified by select local agencies and non-profits that have direct contact serving needy individuals in the Upper Merion Community. These service organizations identify, confirm, and communicate specific at-risk residents.

Partners include:

Upper Merion
Emergency Aid

Montgomery County

The Upper Merion Foundation's Keep Our Neighbors Warm emergency heating fund

Every year, many Upper Merion residents struggle to keep their homes safe and comfortable during cold winters including elderly neighbors on a fixed income as well as people coping with disabilities, illness, injury, or job loss.

The emergency heating fund has been established to benefit Upper Merion residents who have dire winter heating emergencies.
