Looking for a FUN and EDUCATIONAL opportunity for your teen? The Teen Leadership Camp is designed to help teens transition from a camper to a camp counselor.

Participants will learn how to become a camp counselor and a positive role model. Participants will spend time learning about leadership, camp policies/procedures, interview prep, leading camp activities and learning to handle various camp counselor situations. Participants will also gain hands on experience at one of the ADC/Beechtree locations and will become CPR/First Aid certified. Additional opportunities for participants will include, but not limited to, one excursion per week.

Full calendar of activities will be available in the late spring. **Teen Leadership Camp** is for teens ages 13-15 years old and will take place at the UM Middle School **Monday-Friday from June 22-July 31, No camp July 3.** Use Activity Code: **TLC20**

Consortium invites you to expand your craft, express yourself, your talents, and your creativity in a diverse and inclusive environment! This year’s play is the “Mary Poppins”.

Consortium is open to all students entering grades 5-12. This summer’s program will take place at the Upper Merion Area High School. All participants will need to provide their own transportation. Please send your child with a snack and water bottle. Snacks will not be available for purchase.

Consortium will take place June 22-July 31, Monday-Friday from 8:15am-12:30pm or for extended day 8:15am-3pm. No Camp Friday, July 3rd.

Consortium provides opportunities for students to have a hand in contributing to our mainstage musical! Each student will have the opportunity to learn the ins and outs of the production process, as we prepare to perform our theatre production.

Curriculum choices include Main Stage Musical Theatre, Theatre Development, Art, Sculpture, Band, and Orchestra. Please note your top three choices during registration.

For Main Stage Musical Theater, 50 students entering grades 7-12 will be chosen. For Theater Development, 20 students entering grades 5-6 will be accepted. Students interested in Main Stage Musical Theatre are encouraged to register early as spots will fill on a first-come, first-served basis.

We are offering an extended day option in which students will be able to work with other camp staff and learn the ins and outs of different Consortium classes that they may not get into during half day option. Extended day hours will be cancelled if minimum of 35 campers is not met.

#### Flag Football – Youth Coed Camp
**Ages:** 6-13  
**Location:** Heuser Park  
**Instructor:** Flag Football America Staff

No Experience Necessary. Flag football instructors will provide daily drills and team building activities. Football play will focus on fundamental passing, catching and flag grabbing skills. Players will be divided into age groups. He/she will be introduced to the rules and engage in fun safe game play. Flag football is a non contact sport for both girls and boys. Girls have participated in our previous camps and clinics and are encouraged to sign-up. Flag football players must bring: lunch t-shirt, shorts, healthy snack, water bottle, running shoes and sun screen. Campers will have the opportunity to create an original sports name, logo and colors for a professional football franchise of their own. Campers will also have an opportunity to learn how to play some of the different sports through non-contact activities. They will learn basic rules, skills and game play. Instructors will guide each student through the brainstorming, research and development of their ideas. Uniform templates and worksheets will be available to aid the campers in personalizing their final products to take home.

### Hands on Science— LEGOos in Space

**Ages:** 6-14  
**Location:** Heuser Park  
**Instructor:** Professor Bob Matcovich  

Professor Bob will continue the theme of LEGOos, and how we can use them to model the projects we will need to live and work in outer space. What shape would you use to make a Martian house? What materials would you use? How would you get the materials there, and how would you put them together? These and other questions will be answered as we lift our eyes to the heavens. What are the challenges to living and working in space? This, also, is a class for boy AND GIRL astronauts!  
*PS* We will also be building, and launching our very own ‘take-home’ rockets.  
**Min:** 10; **Max:** 20.  
**Cost:** R-$235, NR-$245, PR-$200, PNR-$208

What is health care if it’s not human?

At Main Line Health, you’re more than a patient; you’re our neighbor. Which makes treating you the most honorable thing we’ll ever do.

We invite you to experience our kind of human care at Main Line Health King of Prussia, featuring our women’s specialty center, opening March 2020.

Be seen.

SPINE SURGERY
should be the last option you consider,
not the first...

If there is a minimally invasive treatment that can help you, Main Line Spine will find it.
