

Upper Merion Small Business Spotlight Garcia's Barbershop

Upper Merion Township is a vibrant community with a diverse range of small businesses that contribute to the local economy and make the area a great place to live and work.

The Township celebrates the achievements of local entrepreneurs and encourages everyone to support small businesses in our community.

This Small Business Spotlight is on Vann and Ivan Garcia, two graduates of the Upper Merion Area School District who, in February of 2022, fulfilled their dream of opening their own barbershop in King of Prussia. The Garcia Brothers were able to overcome the challenges of being new business owners through research, dedication, and passion for their craft. Their mission is to provide top-notch barber services and an excellent customer experience.

The Garcia Brothers are proud to be part of the Upper Merion community and believe that socializing and networking with others is an important part of building a successful business, and they are grateful for the support they have received from their community.

Their shop is located at 106 E. Beidler Road, King of Prussia, PA 19406
