GROUP EXERCISE CLASS DESCRIPTIONS

All classes are easily modified for all levels! Our highly qualified instructors ensure an athlete and a grandparent can both have a safe, effective workout in the same class!

Aerobic Spin®: Improve cardiovascular fitness while burning lots of calories. Perfect for those that are new to Spin.

Arms & Abs: Strength training class that will target your upper body and midsection with moves designed to tone and strengthen.

Chair Yoga: Traditional yoga poses adapted so that you can safely practice while seated or standing next to your chair for balance.

Balance, Core & More: This class focuses on improving balance and core activation through a variety of dynamic strength exercises.

Bells, Bands, Bosu: Kettlebells, resistance bands, and bosu balls are mixed in to work and challenge all different types of muscle groups.

Butts & Guts: Strength training class that will target your lower body and midsection with moves designed to tone and strengthen.

Cardio TRX+: Circuit training with the suspended TRX straps, dumbbells, stability balls, and barre for a complete body burning high heart rate workout. Our regular TRX+ class offers the same type of workout, but less cardio driven.

Functional Movement & Stretch: This class is designed to help strengthen your body for your everyday home or work lifestyle.

Gentle Yoga: Relax and restore with this low impact yoga series to promote flexibility designed for all levels.

Hatha Yoga: Move your body slowly into different poses that challenge your strength and flexibility, while at the same time focusing on relaxation and mindfulness.

Latin Spin: Miami style! Cycle to the beat of each track with this rhythm ride that improves your athletic performance.

Mindful Movement: Slow to moderate paced yoga poses, stretching, and breathwork designed for everyday life. To move a little easier, feel a little stronger, help unwind the body and mind, and find our way to relaxation.

Octagon Express: Trainer-led, high energy functional circuit training using the equipment on the Octagon frame in the fitness center.

Senior Strength: Senior fitness class using bands and weights to emphasize core stability, balance, and increase muscle strength.

Spinning: Spinning is a low impact class that is easy on the joints. It's a great cardiovascular workout.

Spinning: Arms & Intervals: Bursts of effort alternated with segments of light weight lifting. This class will challenge and ignite you.

Strength and Mobility: Build strength, add definition, improve bone density, and decrease body fat by increasing your lean muscle.

Sunrise Yoga: Enjoy an align-and-flow class designed to wake you up and get you going and flowing into the rest of your day.

Total Body Conditioning: This class provides high energy cardio and strength training to bring you a full body workout.

Yin Yoga: Targets the connective tissues by holding poses for a longer time with the goal of increasing circulation, flexibility, and range of motion. Please bring a blanket or beach towel along with layered clothing for your comfort.

Yogilates: Get the benefits of both Yoga and Pilates as you flow through traditional Yoga poses while incorporating mat pilates.

Zumba®: Take the "work" out of workout, by mixing low-intensity and high-intensity moves for an interval-style, calorie-burning dance fitness party.

Zumba® Gold-Toning: the Zumba® party you love at a slower pace with a focus on muscle conditioning and light weight activity.
