

UPPER MERION TOWNSHIP TRASH DUMPSTER PERMIT

APPLICATION TO PLACE A TRASH DUMPSTER ON A ROADWAY

I/We request permission to place a trash dumpster upon a roadway. Consideration was given to placing it on private property, but for the following reason(s) that condition cannot be met:

The undersigned acknowledges an understanding of the Upper Merion Township Parking Ordinance as it pertains to placing a trash dumpster upon a roadway. (It must be positioned as if it was a legally parked vehicle, and the dumpster must have reflective material.)

The undersigned acknowledges that placing a trash dumpster upon the roadway is a courtesy extended by the township. The placement of the trash dumpster is temporary in nature and is subject to recall by the township at any time.

The undersigned assumes all responsibility and liability for the trash dumpster placed upon the roadway. (See the ordinance for details – Article IV §157-20.)

The undersigned accepts responsibility to clean the roadway upon removal of the trash dumpster and to report any hazardous condition.
