**Re: Upper Merion Township Zoning Hearing Board
Application No. 2020-15
Applicant: Atlantic American Properties Trust
Property: 1060 First Avenue (tax parcel no. 58-00-06832-30-1)**

Dear Al:

This letter provides notice of the decision of the Upper Merion Township Zoning Hearing Board following the conclusion of the virtual hearing on Wednesday, October 7, 2020.

The Zoning Hearing Board voted to grant a variance from section 165-5 of the Upper Merion Township Zoning Ordinance of 1942, as Amended, to permit 166 parking spaces 8.5 ft. in width with an area of 161.5 sq. ft. and 20 parking spaces less than 9 ft. in width with an area of 171 sq. ft.

This approval is conditioned upon:

1. compliance with the testimony and exhibits presented at the hearing, including but not limited to Exhibit A-6, the plan entitled "Parking Lot Striping Exhibit," prepared by Pennoni, dated June 29, 2020, and the chart entitled "Parking Stall Count Breakdown," prepared by Pennoni, dated September 25, 2020, both of which are enclosed with this letter; and
2. compliance with the requirement of section 145-24.A of the Upper Merion Township Subdivision and Land Development Ordinance that the parking spaces "shall be designed, laid out and clearly marked with four-inch-wide

double paint lines, spaced one foot clear between lines,” which shall not reduce or modify the total number of proposed parking spaces on the property.

Because this application was granted and not contested, the Zoning Hearing Board will not issue a decision with findings of fact, conclusions of law, and reasons.

The approval is subject to a 30-day appeal period beginning from the date of entry (mailing) of the notice of decision.

The applicant is directed to section 165-257 “Expiration of Special Exceptions or Variances” and applicable statutory provisions governing the expiration of variances.

Very truly yours,

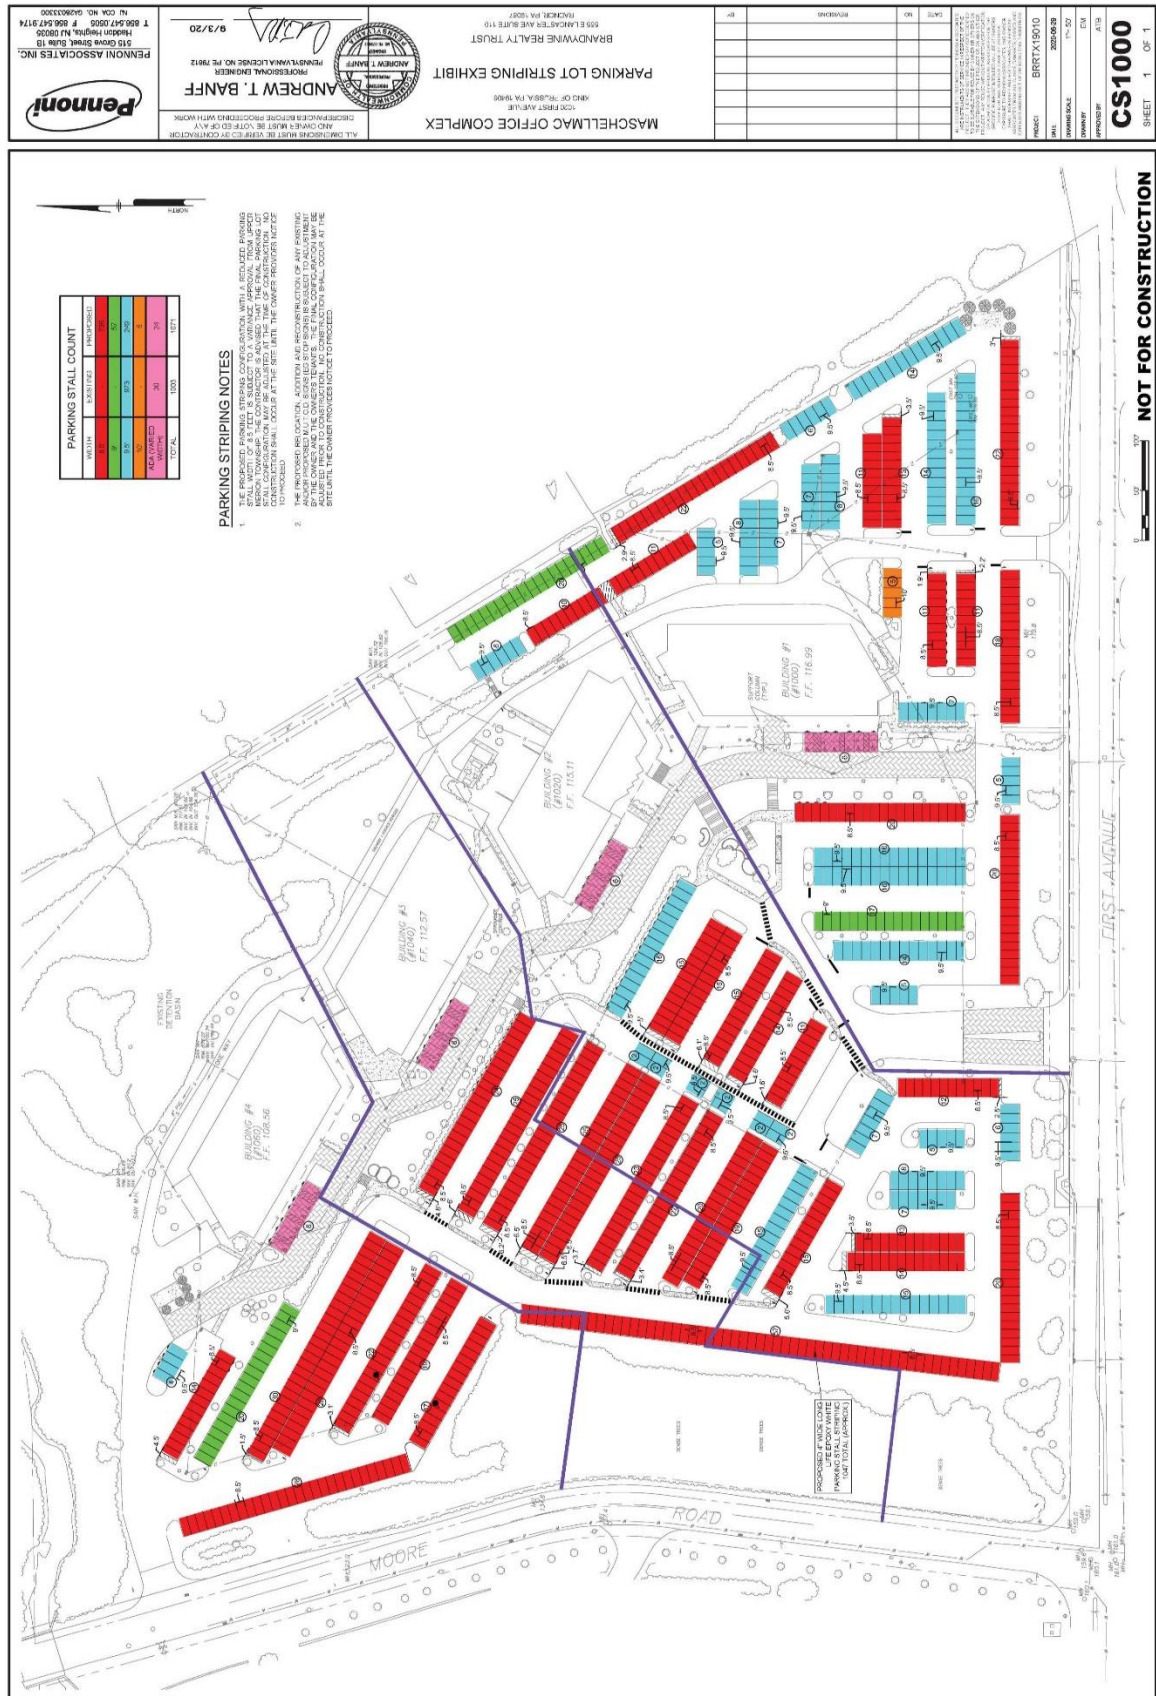

Zachary A. Sivertsen
