

**§ 69-9 Amendments to Plumbing Code.**

The UCC regulations adopted by reference the 2006 ICC International Plumbing Code. The following amendments to that code are hereby adopted by Upper Merion Township.

A.

Insert "36 inches" in Section 305.6.1.

B.

Add Section 405.2.1 to read: (Ord. No. 94-629, adopted November 3, 1994)

**405.2.1** In the all use groups, with the exception of the nonpublic areas in Use Group R, water closets and lavatories shall be supported entirely off the floor without stress or strain on the wall.

C.

Insert "24 inches" in Section 904.1.

D.

Add Section

1003.3.4.3 to read: (Ord. No. 2004-736, adopted June 17, 2004)

**1003.3.4.3** The use of chemical/biological additives shall be prohibited. The cleaning method utilized shall be of the suction type, and flushing of traps shall be prohibited. A record of said cleaning shall be kept on file at the site of the grease trap and presented for inspection to the Code Official upon request.
