

**UPPER MERION TOWNSHIP BOARD OF SUPERVISORS
OCTOBER 17, 2019 MEETING ~ 7:30 PM**

REVISED AGENDA

1. Meeting Called to Order.
2. Pledge of Allegiance.
3. Roll Call.
4. Meeting Minutes: September 5, 2019 – Zoning
 September 5, 2019 – Workshop
 September 19, 2019 - Business
5. Chairman's Comments:
6. New Business:
 - A. Shade Tree and Beautification Awards
 - B. Proclamation re: Fire Prevention Month
 - C. Presentation of the Gutkowski Township Firefighter of the Year Award to Robert Smull
 - D. Presentation of the Mary Bacchi Emergency Medical Services Responder of the Year Award to Karen Garrison
 - E. Presentation re: Upper Merion Fire and Emergency Service Awards
 - F. Sanitary Sewer System RFP
 - G. Consent Agenda re:
 1. Resolution 2019-39 re: Adopt a Municipal Emergency Operations Plan
 2. Resolution 2019-40 re: Support for an Amendment to the Sterling Act of 1932
 3. Budget Transfer re: Trout Run Plant – NPDES Permit Requirement – \$15,000.00
 4. Resolution 2019-41 re: Relocation of Sanitary Sewer Line (GSK)
 5. **Resolution 2019-42 re: Keystone Communities Program Grant Application – Community Garden Initiative**
 6. **Approval of an Amended Perpetual Easement Agreement with Montgomery County for 5.27 acres along Hansen Access Road for the construction of a portion of the Chester Valley Trail Extension**
7. Accounts Payable & Payrolls.
8. Additional Business.
9. Adjournment.

UPPER MERION TOWNSHIP BOARD OF SUPERVISORS
ZONING CODE WORKSHOP MEETING
SEPTEMBER 5, 2019

The Board of Supervisors of Upper Merion Township met for a Zoning Workshop meeting on Thursday, September 5, 2019 in the Township Building. The meeting was called to order at 6:22 p.m., followed by a pledge of allegiance.

ROLL CALL:

Supervisors present were: Carole Kenney, Bill Jenaway, Greg Waks, Greg Philips and Tina Garzillo. Also present were: Anthony Hamaday, Township Manager; Joe McGrory, Township Solicitor; Rob Loeper, Township Planner; Kyle Brown, Associate Planner.

CHAIRMAN'S COMMENTS:

Mr. Waks stated an executive session will be held after the Zoning Workshop meeting but before the standard Workshop meeting to discuss legal and personnel matters.

DISCUSSIONS:

Short Term Rentals

Mr. Brown stated pursuant to the last meeting, there are some ordinance changes that need to be made in addition to whatever goals and objectives the Board has. Clarified definitions of dwelling and rooming housing are needed as this was an issue with zoning enforcement that was lost in court. Mr. Brown stated this discussion tonight is more of a listening session to get some structured feedback on the Boards goals and objectives in regards to short-term rentals. Mr. McGrory asked if senior living was under short-term rentals and Mr. Brown stated it did not include them but it included rentals under some defined length of time for residents. Mr. McGrory noted senior living has to be accounted for and should be addressed in some form with a new definition or tied with group homes. A discussion ensued regarding the definition of senior living and how rules and regulations can be set to make them a safer neighbor. A question was raised in which district short-term living would be put in and Mr. Brown answered according to the ruling in the supreme court, that distinction can be made however the Board wants. It does not have to be included in residential use and can be completely eliminated from certain single-family residential districts and high-rise districts. Concerns of how residents feel about transient housing in their neighborhoods arose. A discussion followed regarding whether short-term rentals should be put in the mixed-use district or restricted at all. The benefits of

requiring permits and inspections for safety reasons were talked about. A question was raised if there was any danger in having residents of R1 and R2 sue the Township if it were decided to place short-term rentals in a specific area like mixed-use or CO. It was responded that at that point those wanting to have a short-term rental would have to go to the Zoning Hearing Board and ask for a variance. It was decided not to include the bed and breakfast into the draft ordinance for short-term rentals. Mr. Brown stated he would do more research and draft an ordinance. Mr. McGrory mentioned senior living should also be regulated. Mr. Brown asked if it should be in its own ordinance in which Mr. McGrory stated it should be.

Mixed Use District

Mr. John Brown, from an association, briefly stated his concern for future development rights regarding making it mandatory that developers do a ground floor retail with residential above in a mixed-used district. Mr. Waks responded that there is talk about making it conditional so it can be waived if the Board wanted to.

Mr. Waks stated there was limited time for this discussion due to the scheduled executive session at 7 p.m.

ADJOURNMENT:

Board Action:

It was moved by Mr. Philips, seconded by Ms. Garzillo, all voting "Aye" to adjourn the meeting. None opposed. Motion approved 5-0. Adjournment occurred.

UPPER MERION TOWNSHIP BOARD OF SUPERVISORS
WORKSHOP MEETING
SEPTEMBER 5, 2019

The Board of Supervisors of Upper Merion Township met for a Workshop Meeting on Thursday, September 5, 2019, in the Township Building. The meeting was called to order at 7:53 p.m., followed by a pledge of allegiance.

ROLL CALL:

Supervisors present were: Greg Waks, Carole Kenney, Bill Jenaway, Greg Philips and Tina Garzillo. Also present were: Anthony Hamaday, Township Manager; Joe McGrory, Township Solicitor; Robert Loeper, Township Planner; Kyle Brown, Associate Planner; Dan Russell, Director of Parks and Recreation

CHAIRPERSON'S COMMENTS: - None.

DISCUSSIONS:

UPPER MERION HIGH SCHOOL DEVELOPMENT PLAN: 440 CROSSFIELD ROAD, DEMOLITION OF EXISTING HIGH SCHOOL AND CONSTRUCTING +300,00 SF HIGH SCHOOL W/ PARK, ATHLETIC FIELDS, LANDSCAPING, LIGHTING PATHS AND MUNICIPAL TRAIL. R-2, 58.78 ACRES
PLAN EXPIRATION: 9/30/2019

Mr. Loeper stated this plan has been presented to the Board and the Planning Commission and they are planning on bringing this to the September 19, 2019 Board of Supervisors meeting for approval. It was pointed out that the School District did go to the Zoning Hearing Board and did obtain the necessary relief for this plan. The plan is to have the school open September 2022 and have the fields sometime in June 2023. Mr. McGrory asked for the status of the land swap where some land was mistakenly listed under the school district name instead of the Township's and it was responded that a follow-up with David Conrad, who is handling the matter.

Glenn Harris from Renew Design Group presented the proposed site plan showing the high school added on to the corner of the middle school and the fields constructed where the old high school is removed. The administration building will remain and some of the parking will be modified. The driveway that revolves around the new building addition leaks out to the front but it will be a gated driveway. There is still the intent for the traffic access to come in and out of Crossfield Road for parent drop-off function. A section of Crossfield Road driveway that they are seeking to have vacated as part of this project. It was also mentioned that at the Township Planning Commission meeting they had

presented an exhibit to describe how a retaining wall is associated with a field since a number of residents had concerns about the heights of the retaining walls. The athletic complexes for the high school are connected to the middle school. It was mentioned that they are trying to reduce the width of the building across a portion of the stream to make sure they were not affecting the underground streams. Another thing they did was expose that stream for a certain portion and created the outdoor learning environment. There is a two-story portion with a media center that includes the library area and all of the learning spaces, and a second and third floor of the academic spaces. A brief review of the building sections with a video flyby was given. It was noted that part of the presentation to the Zoning Hearing Board was the fact that they were not exceeding the height of the three-story portion of the middle school.

A brief summary of the stormwater management systems was presented. The underground stormwater management facilities except for a section where there is an off-ground facility and also an above ground facility. It was asked if it was correct that there was no stormwater management before on the property and it was responded it is correct, there was not any stormwater management on the high school site so this is an improvement. A question arose regarding whether there will be fencing around the two above ground stormwater systems and it was responded there will not be any fencing as it is not seen as safety hazards. It was asked if they were working together with Gilmore and Associates regarding the Crow Creek Trail and it was confirmed they are coordinating with them in regards to the alignment of the trail passing through the site. It was asked if the new stormwater system will positively affect the neighboring resident's stormwater issue and not negatively and it was responded that if they experience issues that are not related to the school's site but because water is coming down from Crow Creek, the systems will not be able to stop that from happening.

The number of trees being eliminated are less than 6 however a quantity of over 200 trees are being provided. There are two waivers, one is for street trees and the second is for parking lot trees. There are approximately 20 trees associated with the street trees and about 15 trees associated with the parking lot trees that they are not able to provide. A brief discussion ensued regarding where else these trees can be planted and it was said that they would go back to the School District and discuss this matter. It was clarified that the High School pool would remain open and would replace the middle school and old high school pools. A comment was made that it is disappointing the building is not green as it does not contain any green roofs or solar power.

With no further comments from the Board and none coming from the public, Mr. Waks stated this matter will be placed on the agenda for the September 19, 2019 Board of Supervisors meeting.

UDR/REALEN: VILLAGE AT VALLEY FORGE – COMPREHENSIVE PARKING STUDY

Ms. Denise from Realen stated UDR is an apartment owner and operator. They own over 2,000 apartments and about 170 different projects throughout the country. Recently, UDR purchased Park Square. This proposed project is going to be similar in look and feel to Park Square and will be approximately 200 units with one to two bedrooms with 276 parking spaces. 75 parking spaces are under the building with the rest are surface parking. The parking analysis was submitted and it has been reviewed by the Township Traffic Consultant and they have agreed UDR has the appropriate number of parking spaces. The number of parking spaces is 1.38 spaces per unit and that exceeds the current ordinance that applies throughout the Township. They are asking for the shared parking reduction under the settlement agreement that it is consistent or more than the other apartments that are in The Village right now. All of the parking studies as confirmed by the Township Traffic Consultant are consistent with what is being proposed. A discussion ensued regarding charging renters for parking spaces.

KRAVCO – DEKALB PLAZA – REZONE DISCUSSION

Mr. Rob Lewis, attorney representing Kravco, stated the shopping center is currently zoned residential, R3A also noting the current development was fully stipulated through a settlement agreement. The settlement agreement permitted commercial development but it is extremely restrictive in that it basically locked in every single component. This made it nearly impossible to engage in expansion of the facilities or redevelopment in any way. Kravco has an opportunity to finally expand and redevelop the center and so a year ago they started to approach the Township for options to move that forward. One option was to revisit the settlement agreement which is a very lengthy process and every opportunity to redevelop would go away. The second option is to look into rezoning the property. After attending a Chairman meeting Kravco was left to consider both GC and SC. In the end it was determined they did not think GC works because GC has a build to line, a maximum front yard setback. Every building in the GC has to get up to 25 feet from the curb line and the proposed development cannot accommodate that. The shopping center district by contrast does not have that build to line. The setbacks are what are on the approved plan. If they were SC and they came in with a plan showing this pad site, when approved all those setbacks are included, approved and required again. A question arose what would happen if someone wanted to build closer and it was responded they would have to come back in with a plan that the Board would have the discretion to approve. Mr. McGrory asked how would they go around the court order since the proposal violates it and it was responded that under their current underling zoning they have the ability to redevelop. It was asked if there were any residents that participated in the original litigation and Mr. Lewis responded he did not know. Mr. Waks stated he is hopeful there are no issues amending the underling zoning. Mr. Lewis stated he would get back to the Board as to whether or not the

settlement agreement would preclude the rezoning. Mr. Jenaway stated he was not in favor of the pad site as it has been presented. A discussion ensued regarding options for the setbacks. It was clarified that the Board does not oppose to rezoning but there is more concern about the design. Mr. Lewis stated they would look into design criteria and into a covenant to move it forward.

UPDATE ON THE CROW CREEK TRAIL – GILMORE & ASSOCIATES

There has been on going coordination with the school district, helping each other with the grading design. One of the things that was worked out with the Conservation District is for them to overcontrol the stormwater volume and peak rates in locations where Gilmore & Associates cannot do it the best due to sewer conditions so that they do not have to do it all the way along the Linear Trail. A discussion ensued regarding the negatives and positives of different traffic beacon options for the intersection where the middle school comes out of Keebler Road. It was asked how much funding is currently available and it was responded that currently there is \$2.8 million and \$1.5 million is the PennDOT Multimodal Grant. There is ongoing coordination to get together budget numbers within the next three weeks. Mr. Waks asked if everything goes as planned when would construction begin and it was said that bidding would begin in February, getting under contract in April and start construction in May.

RENTAL INSPECTION PROGRAM

Mr. Waks stated this is regarding adding hotels to the rental inspection program that the Township has for apartments. Mr. Hamaday stated that he is looking for direction from the Board to begin to look at how to make changes to the extent they want to. Mr. Waks stated that based on the information he has received so far, he has no objection to going into every hotel once a year and the Board also agreed. Mr. Jenaway stated that the inspection list though short it is comprehensive. It was noted that common area should be inspected every time the team goes into the building. A discussion ensued regarding the fees associated with the inspection process and Mr. Hamaday stated he would work on this with Director of Public Safety and Police Chief, Mr. Nolan and Chief of Fire and EMS, Mr. Rubin and Mr. McGrory. Mr. Waks stated this is an ordinance change and should be advertised in order to have the hearing in October.

AUTHORIZE STORMWATER AUTHORITY ENGINEER TO REVIEW THE ENGINEERING AND HYDROLOGICAL REPORTS FOR THE PROPOSED ST. DAVIDS GOLF CLUB IRRIGATION WATER SUPPLY PROJECT

Mr. Hamaday stated to have the Stormwater Authority Engineer review the engineering and hydrological reports would be to provide comments to be able to send back to DEP and Delaware River Basin. This would help in making some type of agreement to make sure what they are suppose to do gets done or if it is found they are impacting the creek, necessary objections are made.

Board Action:

It was moved by Mr. Jenaway, seconded by Mr. Philips, all voting "Aye" to authorize the Stormwater Authority Engineer to review the engineering and hydrological reports for the proposed St. David's Golf Club Irrigation Water Supply Project. None opposed. Motion approved 5-0.

Chairman Comments:

Mr. Waks announced an executive session would follow the end of this meeting regarding a personnel issue.

ADJOURNMENT:

Board Action:

It was moved by Mr. Philips, seconded by Mr. Jenaway, all voting "Aye" to adjourn the meeting. None opposed. Adjournment occurred.

UPPER MERION TOWNSHIP BOARD OF SUPERVISORS
BUSINESS MEETING
SEPTEMBER 19, 2019

The Board of Supervisors of Upper Merion Township met for a Business Meeting on Thursday, September 19, 2019, in Freedom Hall, in the Township Building in King of Prussia. The meeting was called to order at 7:48 p.m., followed by a pledge to the flag.

ROLL CALL:

Supervisors present were: Greg Waks, Bill Jenaway, Greg Philips, Carole Kenney, and Tina Garzillo. Also present were: Anthony Hamaday, Township Manager; Joe McGrory, Township Solicitor; Kyle Brown, Associate Township Planner; Mike Joyce, Assistant Township Engineer.

MEETING MINUTES:

It was moved by Mr. Jenaway, seconded by Ms. Kenney, all voting "Aye" to approve the following meeting minutes: July 18, 2019 Business, August 1, 2019 Zoning, August 1, 2019 Workshop, and August 15, 2019 Business as submitted. None opposed. Motion approved 5-0.

CHAIRMAN'S COMMENTS:

Mr. Waks stated that an executive session was held prior to this meeting to discuss legal and personnel matters and there may be an executive session following the meeting to discuss personnel matters.

NEW BUSINESS

CONSENT AGENDA RE:

1. Board Motion to accept the 2020 MMO's for the Police and Non-Uniform Pension Plans
2. Authorize Approval of AT&T License Agreement for Permit Placement of DAS (Wireless Facilities) throughout the Township
3. Authorize Sub-recipient Agreement between SEPTA and Upper Merion Township regarding the Rambler Senior Service
4. Authorize License Agreement with Lockheed Martin to provide overflow parking at their site to accommodate the Community Fair
5. Resolution 2019-34 re: Authorize Township Manager to execute Schedule 3 of the Master Lease Agreement with Jules and Associates, Inc. for the fitness equipment at the Community Center
6. Resolution 2019-36 re: Disposition of Township Vehicles to Auction for a minimum sale value of \$6,500.00
7. Equipment Replacement Requests re:
 - a. Matsunk Plant – Replace Grinding Cartridge on Influent Grinder - \$30,095.00
 - b. Replace Non-Functioning Audible Pedestrian Stations at Allendale & Keebler Roads as well as Devon Park & County Line Roads - \$15,920.00
8. Appointment to Planning Commission:
 - a. Martin Trumbler
 - b. Ken Brown
9. Resolution 2019-37 re: Disposition of Township Police Records
10. Authorize Agreement with Delaware Valley Municipal Management Association for Disability Consulting and Case Management Services
11. Authorize the Solicitor to Sign Settlement Stipulation re: 211 South Gulph, Tax Parcel 58-00-17488-00-4

Board Comments:

Mrs. Garzillo wanted to let the public know for Item #3, what this refers to is the free transit program for seniors 65 years old and older.

Mrs. Kenney stated Item #4 is just an agreement to indemnify Lockheed Martin for any damages that might occur during the Community Fair. She also thanked Lockheed Martin for providing parking spaces for the Community Fair at no cost.

Board Action:

It was moved by Ms. Kenney, seconded by Mr. Philips, all voting "Aye" to approve the Consent Agenda as presented. None opposed. Motion approved 5-0.

UPPER MERION HIGH SCHOOL DEVELOPMENT PLAN: 440 CROSSFIELD ROAD, DEMOLITION OF EXISTING HIGH SCHOOL AND CONSTRUCTION +300,000 SF HIGH SCHOOL W/PARK, ATHLETIC FIELDS LANDSCAPING, LIGHTING PATHS AND MUNICIPAL TRAIL. R-2, 58.78 ACRES
PLAN EXPIRATION: 9/30/2019, RESOLUTION 2019-35

Mr. Brown stated this plan is for the new high school located at Crossfield Road and has been before the Planning Commission. Dr. Toleno, Superintendent of Upper Merion School District thanked his fellow school board members for coming out and showing support. He also mentioned both Mr. David Shrader from Shrader Group Architecture & Design and Mr. Glenn Harris from Renew Design Group were present for any questions the Board of Supervisors may have.

Mr. Waks stated that after presenting at two previous workshops he was ready to move forward.

Mrs. Garzillo commented the development plan for the school district is amazing, very forward thinking, and a collaborative effort as far as education. She also stated they have done so much with the stormwater management system as well the additional parking and applauded them for that. Mrs. Garzillo noted her concern with the parent drop-off and Dr. Toleno stated they would do their best in reminding parents of safe drop-off with the help of Township Police although this issue is inevitable. Mrs. Garzillo also noted a concern the Shade Tree Commission noted after they had a chance to recently review the development plans. On Thomas Drive, the area was noted on the development plans to be a soft buffer and the Shade Tree Commission interpreted that area to be a screening buffer. Some of the residents suggested planting evergreen trees instead of canopy trees in that area so that during the winter season when the trees are bare, they still have a buffer there. Dr. Toleno stated they would certainly take that under advisement. Mrs. Garzillo also stated having trees be put in Heuser Park as a consideration for the additional trees and Mr. Toleno responded if they wind up with extra trees, they can revisit the matter. Mrs. Garzillo also stated she would like to see an agreement for the use of Township fields by the school district and Mr. Toleno agreed that can be done likewise with the Township's use of the school district's fields. Mr. Toleno stated he would coordinate with Dan Russel, Director of Parks and Recreation, as well as Mr. McGrory as necessary. Mrs. Garzillo wished the school district the best with this project.

Mr. Philips stated the architects are doing an amazing job on this project. He also asked Mr. Brown what the two waivers being requested were and Mr. Brown responded for street trees and parking lot trees. Mr. Philips asked if there was a timeframe to vacate a portion of Crossfield Road and Mr. Toleno responded there is no timeframe as of now but it is being worked on by the attorneys.

Mr. Jenaway also congratulated Upper Merion School District on their new high school. Mr. Jenaway requested confirmation that the engineering reports and county planning reports have been filed and everything is consistent and resolved and it was responded that it is.

Mrs. Kenney congratulated Upper Merion School District team on their new school. Mrs. Kenney expressed how going forward with any development that having more trees is always better for the Township given climate change issues and the desire to improve sustainability of the Township. Mrs. Kenney suggested evergreens in the area at the end of Crossfield Road on both sides of the path. Mrs. Kenney asked if there was a net gain or loss or same number of fields and Mr. Toleno responded a net neutral except the tennis courts will be over at Belmont.

Mr. Toleno stated the building as it is currently designed is lead silver. Mr. Shrader stated the building is very energy efficient and a sustainable project for the school district for years to come. Mr. Waks concluded by asking when construction would begin and Mr. Toleno stated this coming spring and the building should be opened September of 2022, in the end of June of 2022 they will starting tearing down the old high school and reclaiming all the property on top of where the high school is and replacing those fields with total completion sometime in the summer of 2023. Mr. Waks congratulated the school district before the vote and Mr. Toleno expressed gratitude on behalf of the team.

Board Action:

It was moved by Mr. Philips, seconded by Mr. Jenaway, all voting "Aye" to approve the Resolution 2019-35 as presented. None opposed. Motion approved 5-0.

ACCOUNTS PAYABLE & PAYROLL:

Board Action:

It was moved by Mr. Philips, seconded by Mrs. Kenney, all voting "Aye" to approve the Accounts Payable and Payroll. None opposed. Motion approved 5-0.

ADDITIONAL BUSINESS:

Annual Fire Prevention Night

Mr. Jenaway announced that Wednesday, October 2, 2019 will be the Annual Fire Prevention Night at the Giant Food Store on South Henderson Road where you can see a variety of Police, Fire and EMS equipment.

Smoke Alarm Blitz

Mr. Jenaway announced during the summer months the three fire companies conducted a Smoke Alarm Blitz in conjunction with the American Red Cross. Over one-thousand smoke detectors were installed in Upper Merion Township over a three-day period. Mr. Jenaway also advised the public if there is anyone in need of a smoke alarm to please contact the fire marshal's office and they will arrange to have staff go out and install a smoke detector in your home. He further stated a smoke detector in each level in your property is recommended.

Police Department

Mr. Jenaway congratulated the Police Department for being reaccredited and having been recognized this past month. This happens every three years with the objective to review the policies, procedures and operations of the Police Department to determine their level of performance in conjunction with

established protocols and standards. The Upper Merion Police Department first started this in 2004.

Upper Merion Foundation

Mrs. Garzillo stated the Upper Merion Foundation is doing another restaurant fundraiser and the next one coming up will be at Chili's on September 24, 2019 from 11 a.m. to closing.

Mr. Waks also announced the Upper Merion Foundation will be selling mugs. All proceeds for the mugs will be benefitting charities in Upper Merion Township. The mugs will be sold at the fall fair and at the King of Prussia Beer Fest as well.

Annual Fall Park and Stream Clean-Up

Mrs. Garzillo mentioned the Annual Fall Park and Stream Clean-Up will be held at the Ross Road parking lot on Saturday, September 28, 2019 at 8:30 a.m. If you are a first time volunteer you will receive a t-shirt.

Farmer's Market

Mrs. Garzillo announced some saved the dates for the Farmer's Market. October 12th is the Annual Fall Festival and Fiber Arts Day, Oct 26th is the Halloween Spooktacular and Barktober Fest. Mrs. Garzillo also mentioned the Farmer's Market has received \$3750.00 through donations and thanked the generous sponsors for supporting the Farmer's Market.

Shade Tree

Mrs. Garzillo stated Shade Tree recently partnered with QVC to do some tree planting. On Saturday, September 14, 2019, QVC executives joined at the park and planted some trees. They made video footage and it will be released on television. The date is to be determined. On October 26, 2019 there will be another tree planting event at Heuser Park. The plan is to plant 100 trees and Mrs. Garzillo encouraged the public to participate.

Annual Upper Merion Community Fair and Fall Fest

Mr. Waks stated the Annual Upper Merion Community Fair and Fall Fest will be on Saturday, October 5, 2019 from 11 a.m. to 3 p.m. at Heuser Park.

Happy New Year/ Yom Kippur

Mr. Waks wished a Happy New Year and a solemn Yom Kippur to the Jewish population which will occur prior to the next Board of Supervisors meeting.

Sustainability Award

Mr. Waks congratulated everyone who made it possible that Upper Merion Township once again received the platinum level Sustainability Award from the Greater Valley Forge Transportation Association.

ADJOURNMENT:

There being no further business to come before the Board, it was moved by Mr. Philips, seconded by Mr. Jenaway, all voting "Aye" to adjourn the meeting. None opposed. Motion approved 5-0. Adjournment occurred at 8:24 p.m.

**PROCLAMATION
FIRE PREVENTION MONTH**

Whereas, Upper Merion Township is committed to ensuring the safety and security of all those living in and visiting our Township; and

Whereas, fire is a serious public safety concern both locally and nationally, and homes are the locations where our citizens and visitors are at greatest risk from fire; and

Whereas, according to the National Fire Protection Association, fire departments in the United States responded to 352,000 home fires in 2016, which resulted in 2,735 fire fatalities; and

Whereas, the 2019 Fire Prevention theme, “Not Every Hero Wears a Cape. Plan and Practice Your Escape!” effectively serves to remind us that we need to take personal steps to increase our safety from fire.

Whereas, installing and maintaining working smoke alarms, cuts the risk of dying in a home fire in half; and

Whereas, every resident of Upper Merion Township should install and maintain smoke alarms in every sleeping room, outside each separate sleeping area, and on every level of the home; and

Whereas, every member of the home should work together in developing a home escape plan, which should include two ways out of every home, a designated meeting place outdoors, and the home escape plan should be practiced each month with the entire family; and

Whereas, if your home is equipped with an automatic residential fire sprinkler system, ensure the system is inspected annually and operational at all times to protect your family and all occupants; and

Whereas, young children should be taught how to escape on their own, know how to close the doors behind them, and know they should never go back inside a burning building; and

Whereas, Upper Merion Township’s first responders are dedicated to reducing the occurrence of home fires and home fire injuries through providing community-based fire prevention education; and

Whereas, Upper Merion Township’s residents are asked to be responsive to public education measures and should take personal steps to increase their safety from fire, especially in their homes; and

THEREFORE, the Upper Merion Township Board of Supervisors do hereby proclaim October 2019 as Fire Prevention Month throughout this municipality, and we urge all citizens and visitors of Upper Merion Township to work together to “Plan and Practice Your Escape.” We invite all to participate in the many fire prevention activities and efforts provided by the collective Upper Merion Township fire and emergency services organizations.

PROCLAIMED, this 17th day of October, 2019 by the Board of Supervisors of Upper Merion Township.

**UPPER MERION TOWNSHIP
MONTGOMERY COUNTY, PA**

**A RESOLUTION OF THE BOARD OF SUPERVISORS OF UPPER MERION
TOWNSHIP, MONTGOMERY COUNTY, PENNSYLVANIA,
To Adopt A
Municipal Emergency Operations Plan**

WHEREAS, The elected officials of Upper Merion Township have assigned the responsibility for the Municipal Emergency Operations Plan (EOP) to the Municipal Emergency Management Coordinator. The EOP will be reviewed and updated as necessary, but at least biennially, by the Emergency Management Coordinator, who will coordinate with all parties, public or private, assigned responsibilities in this EOP.

WHEREAS, Development, maintenance and implementation of this EOP will be in accordance with, and under the auspices of, the Montgomery County Emergency Operations Plan which is in conformance with Pennsylvania's Emergency Management Code, the Federal Civil Defense Act of 1950, the Robert R. Stafford Disaster Relief and Emergency Assistance Act, the Federal Superfund Amendments and Reauthorization Act of 1986 and applicable regulations of the Federal Emergency Management Agency, Department of Homeland Security.

NOW, THEREFORE BE IT RESOLVED, this **17th day of October, 2019** by the Board of Supervisors of Upper Merion Township, we the undersigned adopt, accept, concur with and support the provisions of the Emergency Operations Plan for Upper Merion Township. The signatures below indicate that this plan has been adopted and supersedes all previous plans.

Upper Merion Township Board of Supervisors

RESOLUTION NO. 2019-40

**A RESOLUTION OF THE BOARD OF SUPERVISORS
OF UPPER MERION TOWNSHIP SUPPORTING AN
AMENDMENT TO THE STERLING ACT TO
REQUIRE THAT UP TO ONE PERCENT OF
PHILADELPHIA WAGE TAX PAID BY NON-
RESIDENTS OF PHILADELPHIA BE REMITTED TO
A QUALIFYING MUNICIPALITY IN WHICH THE
TAXPAYER RESIDES**

WHEREAS, the City of Philadelphia, pursuant to the Sterling Act of 1932, enacted an income tax, also known as a wage tax, on both residents and non-residents of Philadelphia employed in Philadelphia; and

WHEREAS, the Sterling Act, unlike the Local Tax Enabling Act, does not require Philadelphia to remit any portion of the wage tax to the municipality in which the taxpayer resides; and

WHEREAS, as a result of this inequity in the Sterling Act Upper Merion Township may be deprived of future annual revenue.

NOW, THEREFORE, the Board of Supervisors of Upper Merion Township hereby **RESOLVES** to formally request the Governor of the Commonwealth of Pennsylvania and the Senators and Representatives of the General Assembly of Pennsylvania to amend the Sterling Act to require that an amount up to One Percent of the non-resident Philadelphia Wage Taxes paid by non-residents of Philadelphia be remitted to a qualifying municipality in which the taxpayer resides.

SO RESOLVED this 17th day of October, 2019.

INTER-OFFICE MEMORANDUM

TO: Anthony Hamaday Township Manager
FROM: Rick Hoy Supt. Trout Run WPCC
DATE: 9/19/2019
RE: Transfer of 2019 Operating accounts

Because of an overage which would occur in one of the accounts of the Operating Budget
 I am requesting the following transfer of budgeted funds:

Account that would have an overage: Name: Chemical
 Account: 08-421-2210

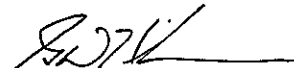

Justification for reducing Account No.: 08-421-3610 8 months of electric bills have been
paid for 2019. Estimating the final 4 months bills we should have approximately \$40,000.00
left at the end of the year.

REQUESTED TRANSFER OF FUNDS:

| Transfer FROM: | | | Transfer TO: | | |
|---------------------|--|---------------------------------|---------------------|---------------------------------------|--------------------------------|
| Division No. | <u>Trout Run</u> | | Division No. | <u>Trout Run</u> | |
| Account No. | <u>08-421-3610</u> | | Account No. | <u>08-421-2210</u> | |
| Account Name | <u>Utilities Electric</u> | | Account Name | <u>Chemical</u> | |
| Present Budget Amt. | <u>\$104,706.00</u> | Starting Budget \$218,000.00 | Present Budget Amt. | <u>\$ 5,073.00</u> | Starting Budget \$48,000.00 |
| Amount Transferred | <u>\$ 15,000.00</u> | | Amount Transferred | <u>\$ 15,000.00</u> | |
| New Budget Amount | <u>\$ 89,706.00 203,000</u> | | New Budget Amount | <u>\$ 20,073.00 63,000</u> | |

Reason for additional expenditures in this account over the approved budget:

To prevent NPDES permit exceedances additional sodium hypochlorite was needed to
achieve the required results. If we did not meet the required results monetary penalties could
of been imposed on the township by PADEP.

RESOLUTION FOR PLAN REVISION FOR NEW LAND DEVELOPMENT

2019-41

RESOLUTION OF THE (SUPERVISORS) (COMMISSIONERS) (COUNCILMEN) of Upper Merion Township
(TOWNSHIP) (BOROUGH) (CITY), Montgomery COUNTY, PENNSYLVANIA (hereinafter "the municipality").

WHEREAS Section 5 of the Act of January 24, 1966, P.L. 1535, No. 537, known as the *Pennsylvania Sewage Facilities Act*, as Amended, and the rules and Regulations of the Pennsylvania Department of Environmental Protection (DEP) adopted thereunder, Chapter 71 of Title 25 of the Pennsylvania Code, require the municipality to adopt an Official Sewage Facilities Plan providing for sewage services adequate to prevent contamination of waters of the Commonwealth and/or environmental health hazards from sewage wastes, and to revise said plan whenever it is necessary to determine whether a proposed method of sewage disposal for a new land development conforms to a comprehensive program of pollution control and water quality management, and

WHEREAS West Campus Condominium Assoc., Inc has proposed the development of a parcel of land identified as
land developer

Innovation at Renaissance, and described in the attached Sewage Facilities Planning Module, and
name of subdivision
proposes that such subdivision be served by: (check all that apply), sewer tap-ins, sewer extension, new treatment facility, individual onlot systems, community onlot systems, spray irrigation, retaining tanks, other, (please specify). _____

WHEREAS, Upper Merion Township finds that the subdivision described in the attached
municipality
Sewage Facilities Planning Module conforms to applicable sewage related zoning and other sewage related municipal ordinances and plans, and to a comprehensive program of pollution control and water quality management.

NOW, THEREFORE, BE IT RESOLVED that the (Supervisors) (Commissioners) (Councilmen) of the (Township) (Borough) (City) of Upper Merion Township hereby adopt and submit to DEP for its approval as a revision to the "Official Sewage Facilities Plan" of the municipality the above referenced Sewage Facilities Planning Module which is attached hereto.

I _____, Secretary,
(Signature)

Township Board of Supervisors (Borough Council) (City Councilmen), hereby certify that the foregoing is a true copy of the Township (Borough) (City) Resolution # 2019-41, adopted, October 17, 2019.

RESOLUTION NO. 2019-42

WHEREAS, Upper Merion Township desires to promote energy efficiency and sustainability in the operation of its successful Sunny Hill Community Garden initiative that has created a public/private partnership that provides the space for powerful neighborhood-level social interaction, which benefits and strengthens the quality of life in the Township; and

WHEREAS, the Upper Merion Township Solar Electricity Sustainability Project will consist of the installation of a Solar (PV) Panel System at the Township's Community Garden to power the needs of the Community Garden facility as well as 2 flashing Pedestrian Road Crossing Warning Signals for access to the facility as well as to the designated overflow parking area used for large events held on the Township Administration Building property.

WHEREAS, The PA Department of Community and Economic Development's Keystone Communities (KC) program is designed to encourage the creation of partnerships between the public and private sectors that jointly support local initiatives such as the growth and stability of neighborhoods and communities; social and economic diversity; and a strong and secure quality of life.

NOW, THEREFORE, BE IT RESOLVED that the Upper Merion Township Board of Supervisors authorize Anthony Hamaday, Township Manager, to submit a Keystone Communities Program grant application in the amount of \$50,000 on behalf of Upper Merion Township for the project.

RESOLVED, this 17th day of October 2019.

AMENDMENT TO EASEMENT AGREEMENT

THIS AMENDMENT to the July 21st, 2016 AGREEMENT made this _____ day of _____ A.D. 2019, by and between Upper Merion Township (hereinafter called "Grantor") and the County of Montgomery, One Montgomery Plaza, Ste. 200, Norristown, Pennsylvania 19404 (hereinafter called "Grantee").

WITNESSETH THAT:

WHEREAS, Grantor is the easement holder of a tract of land situate in Upper Merion Township, Montgomery County, Pennsylvania and known as Parcel No. 58-00-10114-00-7 and 58-00-12808-00-4, the easement thereto having been recorded in the Office of the Montgomery County Recorder of Deeds on September 25th, 2014 to the reference address of 271 S. Henderson Road, Upper Merion Township attached hereto as Exhibit "A".

WHEREAS, Grantee desires to establish a hiking and biking trail as part of the Chester Valley Trail, together with associated recreation including, but not limited to, walking, jogging, horseback riding, and cross country skiing and to preserve the lands immediately adjacent to the trail for use by the general public (hereinafter called "Trail") through and over the surface of that portion of Grantor's Property indicated on the Right of Way Trail Plan attached hereto as Exhibit "B" and made a part hereof and more specifically described in the Property Metes and Bounds Description attached hereto as Exhibit "C" and made a part hereof (the "Easement Area") and Grantor is willing to grant an easement to Grantee for such purposes subject to the terms and conditions set forth herein.

WHEREAS, the Trail and Easement Area are made available pursuant to the Recreational Use of Land and Water Act of February 2, 1996 P.L. (1985) 1860, 68 P.S. 477-1 et seq.

WHEREAS, Grantor and Grantee executed an easement agreement on July 21st, 2016, in consideration of the sum of Two Hundred Forty Three Thousand dollars (\$243,000.00) for the Easement Area.

WHEREAS, during the final design and engineering process for the Trail, modifications to the design necessitated adjustments in the right-of-way areas needed to construct and maintain the Trail, such that the final area needed is less than, but in different areas from, the original easement purchase.

WHEREAS, Grantor and Grantee mutually wish to have the correct easement areas recorded in perpetuity for proper right-of-way clearance purposes.

NOW, THEREFORE, THIS AMENDMENT TO THE AGREEMENT WITNESSETH, that Grantor and Grantee agree as follows:

1. Grantor hereby grants and conveys unto Grantee, its successors and assigns, in perpetuity (except as set forth herein), the revised Easement Area for use by the general public as the Trail as aforesaid and for construction, reconstruction, improvement, operation, repair, and maintenance of the Trail and the necessary accessories and appurtenances used in connection therewith within the Easement Area and for making connection with other portions of the Chester Valley Trail.

TO HAVE AND TO HOLD: The same perpetually (except as set forth herein) to the Grantee and its successors and assigns, together with the right and privilege at any and all times to it and to its agents to enter the Easement Area, or any part thereof, for the purpose of constructing, reconstructing, operating, repairing, and maintaining the said Trail and the Easement Area, as herein described, and for making connection with other portions of the Chester Valley Trail.

2. No consideration will be made from the Grantee to the Grantor for this easement area revision as the required Easement Area in question is less than the original Easement Area.
3. All other agreements, stipulations, and recordings of the July 21st, 2016 agreement remain in force.

(Signature Page to Follow)

IN WITNESS WHEREOF, Grantor and Grantee, intending to be legally bound hereby, have executed this Agreement the day and year first above written.
