

UPPER MERION TOWNSHIP POLICE DEPARTMENT K-9 PROGRAM

K-9S ASSIST POLICE OFFICERS IN MANY WAYS:

- Assist in locating lost or missing persons/officers; Track and locate suspects
- Extensively trained to conduct explosive detection
- Detect hidden firearms, expended casings, and other evidence
- Perform valuable educational demonstrations and programs

INVEST IN A K-9

Great time and care are invested in each K-9. The K-9 units are inseparable and work together daily. When the K-9's workday is over, the dog goes home to be with their family. We believe that is best for the dog to keep them happy and healthy!

THE COST OF A K-9

The cost of outfitting a K-9 team is significant and ongoing. 100% of funds are used for the K-9 program including purchase and training, vital safety equipment and care required for the longevity of the program and the canines.
