Mr. Fry, from Realen Valley Forge Green Associates, the owner of the property, stated this plan is for a development by Toll Brothers. Toll Brothers have already two projects at the Village of Valley Forge. The first one is Brown Stone with 132 stacked townhomes. The King of Prussia Business District Multifamily Housing report stated the townhomes are sold out. It was also noted the property is also the only for sale product in the Township. The second property is the Condominiums that Toll Brothers is building. The property is 50% sold out. The Overlook at Town Center is another project Toll Brothers wants to do in the Township. The first two floors are one home, and the third and fourth floors are the second home. There are 11 buildings. A submission to the Township Engineer has been made. Chairman's Comments:

Mr. Jenaway stated based upon anticipation of moving to the Green Status, July meetings are planned to be held in Freedom Hall. The number of individuals in the room will be based upon the social distancing requirements and the number of individuals permitted on the DOH guidelines in the Commonwealth of Pennsylvania at those dates. The Community Center, the Library, and the playgrounds remain closed as per the requirements of the Department of Health. All of the traditional Fourth of July Township activities are cancelled. Certain activities such as the fireworks and concerts may be rescheduled in October on Community Day depending on the Coronavirus status. In regards to the Township curfew that was placed for a few days, it was done for reason beyond the potential for looting that existed at the time at various commercial properties.

Upper Merion Township was hit very hard by the derecho storm and as a result many areas of the Township were without power, and roads were blocked by fallen trees with wires tangled within them. Traveling in and out of those areas would be problematic for those traveling within the community. The curfew was beneficial in allowing the electrical workers to work to get power back within the Township without dealing with added vehicles and pedestrians. Also, when power lines were re-energized, it caused a dramatic increase in electrical fires which had put more emergency responders on the roadways. Residents were urged to put tree debris on the curb and bundle it. Public Works trucks will be running through the Township through June 30, 2020. There has been a lot of work in the past couples with a company in Conshohocken to get ready for an opening. Staff has put together a series of checklists working with the consultants and have developed a series of tools to use to make sure everything is cleaned to the CDC standards and is documented as such. QR codes will be placed in Township buildings that will give the public the ability to view this documentation and ensure safety. Mr. Jenaway encouraged residents to complete the 2020 Census. The Annual Ambulance Subscription Program is being offered to Upper Merion Township residents and continues to be paid for by user fees and insurance companies.

ADJOURNMENT:

There being no further business to come before the Board, it was moved by Mr. Waks, seconded by Mr. Philips, all voting "Aye" to adjourn the meeting. None opposed. Motion approved 5-0. Adjournment occurred.

MANCILL MILL DEVELOPMENT: AN ORDINANCE TO AMEND THE SM-1 DISTRICT PROVIDING FOR A RESIDENTIAL-ORIENTED DEVELOPMENT SUBJECT TO CONDITIONAL USE

A discussion between the Board and the applicant ensued regarding the amendment for the residential oriented development (ROD). It was stated that the amendment requires specific criteria for the ROD including (1) a perimeter buffer; (2) open space of 10% of the gross tract area; (3) a centrally-located plaza and the tract must be within 500' of a river and 250' of a public trail system. The units must meet specific requirements – maximum height of 40 feet, minimum width of 24 feet, two-car garage minimum. The project will comply with the existing off-street parking requirements. a Community Commercial Zoning District allow certain designated land in the Township to be used for monument display signs. The proposed ordinance initial identifies several properties, including Bob White Park, Heuser Park, Walker Field and a parcel of land near the Betzwood Bridge that are along major transportation routes. The proposed ordinance amending the current sign ordinance would allow monument sign displays in the General Commercial Zoning District. Catalyst has secured an agreement of sale with the owner of the 216 Allendale Road and a lease with the owner of 795 Dekalb Pike for the installation of monument signs on those commercial properties.

The Board agreed to continue discussions on the proposed ordinances at a future workshop meeting.

RE: Crow Creek Trail – Application for Payment #3

Dear Mr. Russell:

We have reviewed Application for Payment #3 for the Crow Creek Trail project as submitted by James R. Kenney Excavating & Paving, Inc. (see attached).

James R. Kenney Excavating & Paving, Inc. requested payment for a total of \$204,972.50 of work completed in the period for Payment Application #3. We are in agreement with the quantities of work as submitted by James R. Kenney Excavating & Paving, Inc. Therefore, we recommend the payment of \$184,475.25 and withholding retainage in the amount of \$20,497.25. The Balance to Finish (which includes retainage) is \$1,297,533.25.

The Total Work completed through Payment Application #3 is \$540,907.50, which corresponds to 30.3% completion of the total contract.

Please note that soft/weak subgrade soil conditions have been experienced in a greater quantity than anticipated, which is due to the flooded conditions and high soil moisture content experienced over the last 30 days. Replacement of unsuitable subgrade material is a unit rate item. Our construction observer has tracked the quantities of unsuitable subgrade replacement performed by the Contractor. Currently, the quantity of unsuitable subgrade replacement exceeds the estimated quantity per the bid. Therefore, while a Change Order to adjust the Contract Price is not required immediately since current payments do not exceed the Contract Price, a Change Order to adjust final quantities and cost will likely be necessary. The Township should be aware that since the project is about 30% complete, it is anticipated that there will be additional costs for unsuitable subgrade replacement during the course of the project, making it likely that the Contract Price will need to be increased accordingly by a Change Order. The total quantity of unsuitable subgrade replacement cannot be predicted since it depends on actual weather and soil conditions experienced during construction, but the quantities will be tracked and reported to the Township on a monthly basis at minimum.

Please do not hesitate to contact me should you have any questions.

Sincerely,

A handwritten signature in blue ink that reads "Ross A. Bickhart".

Please see attached invoices from the Primes for the EMS Station. Four of the five Primes are submitting this month. FW Houder is not submitting for plumbing. Also, A and E has reviewed the percent billing on the invoices and feel they are consistent with what is complete on site.

Good Afternoon Doug

Please see attached invoices from the Primes for the EMS Station. Four of the five Primes are submitting this month. FW Houder is not submitting for plumbing. Also, A and E has reviewed the percent billing on the invoices and feel they are consistent with what is complete on site.

**Re: 2020 Upper Merion Road Program
 T&M Project No. MRON 00416**

Dear Mr. Hickman:

The 2020 Upper Merion Road Program is complete. During our review and preparation of final billing we noted the following.

As part of our original approved proposal dated December 18, 2019, we were to perform the following:

- Survey 16 ADA ramps
- Design 16 ADA ramps
- Inspect 26 ADA ramps (16 designed in 2020 and 10 from 2019)

We have provided a snapshot of our approved proposal below.

Schedule of Fees – Design ADA Ramps “2020 Roads”

Survey including preparation of base plans (<u>16 ramps</u>)	\$ 700/ramp
Grading and Design of Ramps (<u>16 ramps</u>)	\$ 700/ramp
<i>Subtotal per ramp</i>	\$1,400/ramp
Total for 16 ramps	\$22,400

Schedule of Fees – Inspection ADA Ramps “2020 Roads” and “2019 Roads”

Construction Administration and Observation (<u>16 and 10 ramps</u>)	\$ 500/ramp
Total for 26 ramps	\$13,000

During the design phase, the Township directed us to perform the following:

- Survey 21 ADA ramps
- Design 21 ADA ramps

Four ADA Ramps were added because the mill and overlay of Springdell Road was extended another block to Rees Drive. In the approved proposal, the mill and overlay of Springdell Road was to originally stop at Sweetbriar Road. One ramp was added along Beidler Road across from Roy Road.

Please note that during bidding, as part of Addendum No. 1, two (2) of the 21 designed ramps were removed from the construction contract because of PennDOT Traffic Signal requirements. Therefore, even though we surveyed and designed 21 ramps, only 19 ramps were built plus the 10 ramps that were designed as part of the 2019 Road Program, for a total of 29 ramps that were constructed and inspected in 2020.

Therefore, we are requesting an additional \$8,500 for our services per the following breakdown:

5 additional ramp surveys x \$700 =	\$3,500
5 additional ramp designs x \$700 =	\$3,500
3 additional ramp inspections x \$500 =	\$1,500
Total extra =	\$8,500

If you have any questions regarding this request, please contact me. If you are in agreement with this request, please respond in writing and we will then submit an invoice for this work.

Sincerely,

T&M Associates

LAND LEASE AGREEMENT

This Land Lease Agreement (the "Agreement") made this _____ day of _____, 2020 ("Effective Date"), between the TOWNSHIP OF UPPER MERION, a Second-Class Township of the Commonwealth of Pennsylvania, with its principal offices located at 175 W. Valley Forge Road, King of Prussia, Pennsylvania 19406, hereinafter designated LESSOR and CELLCO PARTNERSHIP, d/b/a Verizon Wireless with its principal offices at One Verizon Way, Mail Stop 4AW100, Basking Ridge, New Jersey 07920, hereinafter designated LESSEE. LESSOR and LESSEE are at times collectively referred to hereinafter as the "Parties" or individually as the "Party."

WITNESSETH

In consideration of the mutual covenants contained herein and intending to be legally bound hereby, the Parties hereto agree as follows:

1. GRANT. In accordance with this Agreement, LESSOR hereby grants to LESSEE the right to install, maintain and operate communications equipment ("Use") upon the Premises (as hereinafter defined), which are a part of that real property owned, leased or controlled by LESSOR at 466 East Church Road, King of Prussia, Upper Merion Township, Montgomery County, Commonwealth of Pennsylvania (the "Property"). The Property is further identified as Parcel No. 58-00-03166-00-7 on the Montgomery County Tax Map. The Property is legally described on Exhibit "A" attached hereto and made a part hereof. The Premises are a portion of the Property comprising approximately 394 square feet in area which are shown in detail on Exhibit "B," attached hereto and made a part hereof. LESSEE may survey the Premises. Upon completion, the survey shall replace Exhibit "B" in its entirety.

2. INITIAL TERM. This Agreement shall be effective as of the date of execution by both Parties ("Effective Date"). The initial term of the Agreement shall be for 5 years beginning on the Commencement Date (as hereinafter defined). The "Commencement Date" shall be the first day of the month after LESSEE begins installation of LESSEE's communications equipment. The parties agree to acknowledge the Commencement Date in writing.

3. EXTENSIONS. This Agreement shall automatically be extended for 4 additional 5 year terms unless LESSEE terminates it at the end of the then current term by giving LESSOR written notice of the intent to terminate at least 3 months prior to the end of the then current term. The initial term and all extensions shall be collectively referred to herein as the "Term".

4. RENTAL.

(a). Rental payments shall begin on the Commencement Date and be due at a total annual rental of \$12,000.00, to be paid in equal monthly installments on the first day of the month, in advance, to LESSOR at 175 W. Valley Forge Road, King of Prussia, PA 19406 or to such other person, firm, or place as LESSOR may, from time to time, designate in writing at least 30 days in advance of any rental payment date by notice given in accordance with Paragraph 20 below. LESSOR and LESSEE acknowledge and agree that the initial rental payment may not be delivered by LESSEE until at least 90 days after the Commencement Date. Upon agreement of the

Parties, LESSEE may pay rent by electronic funds transfer and in such event, LESSOR agrees to provide to LESSEE bank routing information for such purpose upon request of LESSEE.

(b). For any party to whom rental payments are to be made, LESSOR or any successor in interest of LESSOR hereby agrees to provide to LESSEE (i) a completed, current version of Internal Revenue Service Form W-9, or equivalent; (ii) complete and fully executed state and local withholding forms if required; and (iii) other documentation to verify LESSOR's or such other party's right to receive rental as is reasonably requested by LESSEE. Rental shall accrue in accordance with this Agreement, but LESSEE may not deliver rental payments for up to 90 days after the requested documentation has been received by LESSEE.

(c). Adjustment to Rent. Immediately upon each anniversary of the Commencement Date, the Rent shall increase by an amount equal to two percent (2%) of the Rent in effect during the immediately preceding lease year. Such annual increase shall be effective automatically without further notice or demand by LESSOR.

5. ACCESS. LESSEE shall have the non-exclusive right of ingress and egress from the nearest public right-of-way, 7 days a week, 24 hours a day, over the Property to and from the Premises for the purpose of installation, operation and maintenance of LESSEE's communications equipment ("Easement"), provided that the use of such Easement shall not be injurious or unduly interfere with Lessor's use of the Property. LESSEE may use the Easement for the installation, operation and maintenance of wires, cables, conduits and pipes for all necessary electrical, telephone, fiber and other similar support services. In the event it is necessary, LESSOR agrees to grant LESSEE or the provider the right to install such services on, through, over and/or under the Property, provided the location of such services shall be reasonably approved by LESSOR. Notwithstanding anything to the contrary, the Premises shall include such additional space along the immediate boundary of the Premises for placement LESSEE's radio frequency signage and/or barricades as may be necessary to ensure LESSEE's compliance with Laws (as defined in Paragraph 27).

6. CONDITION OF PROPERTY. LESSOR shall deliver the Premises to LESSEE in a condition ready for LESSEE's Use and clean and free of debris. LESSOR represents and warrants to LESSEE that as of the Effective Date, the Premises is (a) in compliance with all Laws; and (b) in compliance with all EH&S Laws (as defined in Paragraph 24).

7. IMPROVEMENTS. The communications equipment including, without limitation, the tower structure, antennas, conduits, fencing and other screening, and other improvements shall be at LESSEE's expense and installation shall be at the discretion and option of LESSEE, provided that LESSEE first secures all required Government Approvals as provided in Paragraph 8. LESSEE shall have the right to replace, repair, add or otherwise modify its communications equipment, tower structure, antennas, conduits, fencing and other screening, or other improvements or any portion thereof and the frequencies over which the communications equipment operates, whether or not any of the communications equipment, antennas, conduits or other improvements are listed on any exhibit.

8. GOVERNMENT APPROVALS. LESSEE's Use is contingent upon LESSEE obtaining all of the certificates, permits and other approvals (collectively the "Government Approvals") that may be required by any Federal, State or Local authorities (collectively, the "Government Entities") as well as a satisfactory soil boring test, environmental studies, or any other due diligence LESSEE chooses that will permit LESSEE's Use. LESSOR shall cooperate with LESSEE in its effort to obtain such approvals and shall take no

action which would adversely affect the status of the Property with respect to LESSEE's Use, except for any actions necessary to enforce ordinances, approvals or permits of Government Entities.

9. TERMINATION. LESSEE may, unless otherwise stated, immediately terminate this Agreement upon written notice to LESSOR in the event that (i) any applications for such Government Approvals should be finally rejected; (ii) any Government Approval issued to LESSEE is canceled, expires, lapses or is otherwise withdrawn or terminated by any Government Entity; (iii) LESSEE determines that such Government Approvals may not be obtained in a timely manner; (iv) LESSEE determines any structural analysis is unsatisfactory; (v) LESSEE, in its sole discretion, determines the Use of the Premises is obsolete or unnecessary; (vi) with 3 months prior notice to LESSOR, upon the annual anniversary of the Commencement Date; or (vii) at any time before the Commencement Date for any reason or no reason in LESSEE's sole discretion.

10. INDEMNIFICATION. Subject to Paragraph 11, each Party and/or any successor and/or assignees thereof, shall indemnify and hold harmless the other Party, including its respective representatives, officials, employees and agents, and/or any successors and/or assignees thereof, against (i) any and all claims of liability or loss from personal injury or property damage resulting from or arising out of the negligence or willful misconduct of the indemnifying Party, its employees, contractors or agents, except to the extent such claims or damages may be due to or caused by the negligence or willful misconduct of the other Party, or its employees, contractors or agents, and (ii) reasonable attorney's fees, expense, and defense costs incurred by the indemnified Party. Where a claim is the result of the concurrent acts of the Parties, each Party shall be liable under this Paragraph 10 to the extent of its fault or liability therefor. The indemnified Party will provide the indemnifying Party with prompt, written notice of any claim that is subject to the indemnification obligations in Paragraph 10. The indemnified Party will cooperate appropriately with the indemnifying Party in connection with the indemnifying Party's defense of such claim. The indemnifying Party shall defend any indemnified Party, at the indemnified Party's request, against any claim with counsel reasonably satisfactory to the indemnified Party. The indemnifying Party shall not settle or compromise any such claim or consent to the entry of any fines, judgments or citations without the prior written consent of each indemnified Party and without an unconditional release of all claims by each claimant or plaintiff in favor of each indemnified Party. All indemnification obligations shall survive the termination or expiration of this Agreement. Nothing contained in this Section shall be construed as a waiver of those defenses, immunities, and limitations on damages available to LESSOR pursuant to the Pennsylvania Political Subdivision Tort Claims Act, Act of October 5, 1980, P.L. 693, No. 142, (42 Pa. C.S. §8541 *et seq.*).

11. INSURANCE. The Parties agree that at their own cost and expense, each will maintain commercial general liability insurance with limits of \$2,000,000 for bodily injury (including death) and property damage each occurrence. The Parties agree to include the other Party as an additional insured as their interests may appear under this Agreement. The Parties hereby waive and release any and all rights of action for negligence against the other which may hereafter arise on account of damage to the Premises or the Property, resulting from any fire, or other casualty which is insurable under "Causes of Loss – Special Form" property damage insurance or for the kind covered by standard fire insurance policies with extended coverage, regardless of whether or not, or in what amounts, such insurance is now or hereafter carried by the Parties, even if any such fire or other casualty shall have been caused by the fault or negligence of the other Party. These waivers and releases shall apply between the Parties and they shall also apply to any claims under or through either Party as a result of any asserted right of subrogation.

All such policies of insurance obtained by either Party concerning the Premises or the Property shall waive the insurer's right of subrogation against the other Party.

12. LIMITATION OF LIABILITY. Except for indemnification pursuant to Paragraphs 10 and 24, a violation of Paragraph 29, or a violation of law, neither Party shall be liable to the other, or any of their respective agents, representatives, or employees for any lost revenue, lost profits, diminution in value of business, loss of technology, rights or services, loss of data, or interruption or loss of use of service, incidental, punitive, indirect, special, trebled, enhanced or consequential damages, even if advised of the possibility of such damages, whether such damages are claimed for breach of contract, tort (including negligence), strict liability or otherwise, unless applicable law forbids a waiver of such damages.

13. INTERFERENCE.

(a). LESSEE agrees that LESSEE will not cause interference that is measurable in accordance with industry standards to LESSOR's equipment. LESSOR agrees that LESSOR and other occupants of the Property will not cause interference first occurring after the Effective Date that is measurable in accordance with industry standards to the then existing equipment of LESSEE.

(b). Without limiting any other rights or remedies, if interference occurs and continues for a period in excess of 48 hours following notice to the interfering party via telephone to LESSEE'S Network Operations Center (at (800) 621-2622) or to LESSOR at (), the interfering party shall or shall require any other user to reduce power or cease operations of the interfering equipment until the interference is cured.

(c). The Parties acknowledge that there will not be an adequate remedy at law for noncompliance with the provisions of this Paragraph and therefore the Parties shall have the right to equitable remedies such as, without limitation, injunctive relief and specific performance.

14. REMOVAL AT END OF TERM. Upon expiration or within 90 days of earlier termination, LESSEE shall remove LESSEE's Communications Equipment (except footings) and restore the Premises to its original condition, reasonable wear and tear and casualty damage excepted. LESSOR agrees and acknowledges that the communications equipment shall remain the personal property of LESSEE and LESSEE shall have the right to remove the same at any time during the Term, whether or not said items are considered fixtures and attachments to real property under applicable laws. If such time for removal causes LESSEE to remain on the Premises after termination of the Agreement, LESSEE shall pay rent in accordance with Paragraph 15.

15. HOLDOVER. If LESSEE holds over after the expiration or earlier termination of the Term, then this Agreement shall continue on a month to month basis at the then existing monthly rental rate or the existing monthly pro-rata basis if based upon a longer payment term, until the removal of the communications equipment is completed.

16. RIGHT OF FIRST REFUSAL. If at any time after the Effective Date, LESSOR receives an offer or letter of intent from any person or entity that is in the business of owning, managing or operating communications facilities or is in the business of acquiring landlord interests in agreements relating to communications facilities, to purchase fee title, an easement, a lease, a license, or any other interest in

the Premises or any portion thereof or to acquire any interest in this Agreement, or an option for any of the foregoing, LESSOR shall provide written notice to LESSEE of said offer ("LESSOR's Notice"). LESSOR's Notice shall include the prospective buyer's name, the purchase price being offered, any other consideration being offered, the other terms and conditions of the offer, a description of the portion of and interest in the Premises and/or this Agreement which will be conveyed in the proposed transaction, and a copy of any letters of intent or form agreements presented to LESSOR by the third party offeror. LESSEE shall have the right of first refusal to meet any bona fide offer of sale or transfer on the terms and conditions of such offer or by effectuating a transaction with substantially equivalent financial terms. If LESSEE fails to provide written notice to LESSOR that LESSEE intends to meet such bona fide offer within 30 days after receipt of LESSOR's Notice, LESSOR may proceed with the proposed transaction in accordance with the terms and conditions of such third party offer, in which event this Agreement shall continue in full force and effect and the right of first refusal described in this Paragraph shall survive any such conveyance to a third party. If LESSEE provides LESSOR with notice of LESSEE's intention to meet the third party offer within 60 days after receipt of LESSOR's Notice, then if LESSOR's Notice describes a transaction involving greater space than the Premises, LESSEE may elect to proceed with a transaction covering only the Premises and the purchase price shall be pro-rated on a square footage basis. Further, LESSOR acknowledges and agrees that if LESSEE exercises this right of first refusal, LESSEE may require a reasonable period of time to conduct due diligence and effectuate the closing of a transaction on substantially equivalent financial terms of the third party offer. LESSEE may elect to amend this Agreement to effectuate the proposed financial terms of the third party offer rather than acquiring fee simple title or an easement interest in the Premises. For purposes of this Paragraph, any transfer, bequest or devise of LESSOR's interest in the Property as a result of the death of LESSOR, whether by will or intestate succession, or any conveyance to LESSOR's family members by direct conveyance or by conveyance to a trust for the benefit of family members shall not be considered a sale for which LESSEE has any right of first refusal.

17. RIGHTS UPON SALE. Should LESSOR, at any time during the Term, decide (i) to sell or otherwise transfer all or any part of the Property, or (ii) to grant to a third party by easement or other legal instrument an interest in and to any portion of the Premises, such sale, transfer, or grant of an easement or interest therein shall be under and subject to this Agreement and any such purchaser or transferee shall recognize LESSEE's rights hereunder. In the event that LESSOR completes any such sale, transfer, or grant described in this Paragraph without executing an assignment of the Agreement whereby the third party agrees in writing to assume all obligations of LESSOR under this Agreement, then LESSOR shall not be released from its obligations to LESSEE under this Agreement, and LESSEE shall have the right to look to LESSOR and the third party for the full performance of the Agreement.

18. LESSOR'S TITLE. LESSOR covenants that LESSEE, on paying the rent and performing the covenants herein, shall peaceably and quietly have, hold and enjoy the Premises. LESSOR represents and warrants to LESSEE as of the Effective Date and covenants during the Term that LESSOR has full authority to enter into and execute this Agreement and that there are no liens, judgments, covenants, easement, restrictions or other impediments of title that will adversely affect LESSEE's Use.

19. ASSIGNMENT. Without any approval or consent of the other Party, this Agreement may be sold, assigned or transferred by either Party to (i) any entity in which the Party directly or indirectly holds an equity or similar interest; (ii) any entity which directly or indirectly holds an equity or similar interest in the Party; or (iii) any entity directly or indirectly under common control with the Party. LESSEE may assign this Agreement to any entity which acquires all or substantially all of LESSEE's assets in the market

defined by the FCC in which the Property is located by reason of a merger, acquisition or other business reorganization without approval or consent of LESSOR. As to other parties, this Agreement may not be sold, assigned or transferred without the written consent of the other Party, which such consent will not be unreasonably withheld, delayed or conditioned. No change of stock ownership, partnership interest or control of LESSEE or transfer upon partnership or corporate dissolution of either Party shall constitute an assignment hereunder.

(a) In the event LESSEE subleases any portion of the Premises in accordance with this Agreement, any rental paid by any Sublessee(s) shall be divided between the LESSOR and the LESSEE in the following manner: 100 percent to LESSOR for ground rent for placement of any Sublessee(s)' facilities and equipment on the Property (including within the Premises); and 100 percent to LESSEE for tower rent for placement of any Sublessee(s)' facilities and equipment on the tower. Any Sublessee shall be instructed to pay the foregoing percentage amounts directly to the LESSOR and the LESSEE. The LESSEE shall not be responsible to the LESSOR for the collection or payment of rents by the Sublessee to the LESSOR, and the LESSEE shall have no liability to the LESSOR in the event of failure of payment by Sublessee. In this event: i) the LESSEE shall have no liability of any nature to the LESSOR for failure to sublet all or any part of the Premises to any or all potential Sublessee (s); and ii) at LESSOR'S request, LESSEE will provide LESSOR with a tri-party agreement to be executed by the LESSEE, its Sublessee, and LESSOR to confirm direct payment obligation from the Sublessee to the LESSOR and to indicate LESSOR has been notified of the sublease.

(b) Notwithstanding any other provision of this Agreement, LESSEE shall not be required to obtain approval from LESSOR for the Subletting of the Property (including the Premises) or part thereof. LESSOR shall have the sole right to determine whether it will sublet any portion of its Property or whether it will sublease to any specific Sublessee. In addition, LESSEE shall have the sole right to determine whether it will sublet any portion of its tower or whether it will sublease to any specific Sublessee.

20. NOTICES. Except for notices permitted via telephone in accordance with Paragraph 13, all notices hereunder must be in writing and shall be deemed validly given if sent by certified mail, return receipt requested or by commercial courier, provided the courier's regular business is delivery service and provided further that it guarantees delivery to the addressee by the end of the next business day following the courier's receipt from the sender, addressed as follows (or any other address that the Party to be notified may have designated to the sender by like notice):

LESSOR: Township of Upper Merion

LESSEE: Cellco Partnership,
d/b/a Verizon Wireless

Attention: Network Real Estate

Notice shall be effective upon actual receipt or refusal as shown on the receipt obtained pursuant to the foregoing.

21. SUBORDINATION AND NON-DISTURBANCE. Within 15 days of the Effective Date, LESSOR shall obtain a Non-Disturbance Agreement (as defined below) from existing mortgagee(s), ground lessors and master lessors, if any, of the Property. At LESSOR's option, this Agreement shall be subordinate to any future master lease, ground lease, mortgage, deed of trust or other security interest (a "Mortgage") by LESSOR which from time to time may encumber all or part of the Property; provided, however, as a condition precedent to LESSEE being required to subordinate its interest in this Agreement to any future Mortgage covering the Property, LESSOR shall obtain for LESSEE's benefit a non-disturbance and attornment agreement for LESSEE's benefit in the form reasonably satisfactory to LESSEE, and containing the terms described below (the "Non-Disturbance Agreement"), and shall recognize LESSEE's rights under this Agreement. The Non-Disturbance Agreement shall include the encumbering party's ("Lender's") agreement that, if Lender or its successor-in-interest or any purchaser of Lender's or its successor's interest (a "Purchaser") acquires an ownership interest in the Property, Lender or such successor-in-interest or Purchaser will honor all of the terms of the Agreement. Such Non-Disturbance Agreement must be binding on all of Lender's participants in the subject loan (if any) and on all successors and assigns of Lender and/or its participants and on all Purchasers. In return for such Non-Disturbance Agreement, LESSEE will execute an agreement for Lender's benefit in which LESSEE (1) confirms that the Agreement is subordinate to the Mortgage or other real property interest in favor of Lender, (2) agrees to attorn to Lender if Lender becomes the owner of the Property and (3) agrees to accept a cure by Lender of any of LESSOR's defaults, provided such cure is completed within the deadline applicable to LESSOR. In the event LESSOR defaults in the payment and/or other performance of any mortgage or other real property interest encumbering the Property, LESSEE, may, at its sole option and without obligation, cure or correct LESSOR's default and upon doing so, LESSEE shall be subrogated to any and all rights, titles, liens and equities of the holders of such mortgage or other real property interest and LESSEE shall be entitled to deduct and setoff against all rents that may otherwise become due under this Agreement the sums paid by LESSEE to cure or correct such defaults.

22. DEFAULT. It is a "Default" if (i) either Party fails to comply with this Agreement and does not remedy the failure within 30 days after written notice by the other Party or, if the failure cannot reasonably be remedied in such time, if the failing Party does not commence a remedy within the allotted 30 days and diligently pursue the cure to completion within 90 days after the initial written notice, or (ii) LESSOR fails to comply with this Agreement and the failure interferes with LESSEE's Use and LESSOR does not remedy the failure within 5 days after written notice from LESSEE or, if the failure cannot reasonably be remedied in such time, if LESSOR does not commence a remedy within the allotted 5 days and diligently pursue the cure to completion within 15 days after the initial written notice. The cure periods set forth in this Paragraph 22 do not extend the period of time in which either Party has to cure interference pursuant to Paragraph 13 of this Agreement.

23. REMEDIES. In the event of a Default, without limiting the non-defaulting Party in the exercise of any right or remedy which the non-defaulting Party may have by reason of such default, the non-defaulting Party may terminate this Agreement and/or pursue any remedy now or hereafter available to the non-defaulting Party under the Laws or judicial decisions of the state in which the Property is located. Further, upon a Default, the non-defaulting Party may at its option (but without obligation to do so), perform the defaulting Party's duty or obligation. The costs and expenses of any such performance by the non-defaulting Party shall be due and payable by the defaulting Party upon invoice therefor. If

LESSEE undertakes any such performance on LESSOR's behalf and LESSOR does not pay LESSEE the full amount within 30 days of its receipt of an invoice setting forth the amount due, LESSEE may offset the full amount due against all fees due and owing to LESSOR under this Agreement until the full amount is fully reimbursed to LESSEE.

24. ENVIRONMENTAL. LESSEE shall conduct its business in compliance with all applicable laws governing the protection of the environment or employee health and safety ("EH&S Laws"). LESSEE shall indemnify and hold harmless the LESSOR from claims to the extent resulting from LESSEE's violation of any applicable EH&S Laws or to the extent that LESSEE causes a release of any regulated substance to the environment. LESSOR shall indemnify and hold harmless LESSEE from all claims resulting from the violation of any applicable EH&S Laws or a release of any regulated substance to the environment except to the extent resulting from the activities of LESSEE. The Parties recognize that LESSEE is only leasing a small portion of the Property and that LESSEE shall not be responsible for any environmental condition or issue except to the extent resulting from LESSEE's specific activities and responsibilities. In the event that LESSEE encounters any hazardous substances that do not result from its activities, LESSEE may relocate its facilities to avoid such hazardous substances to a mutually agreeable location or, if LESSEE desires to remove at its own cost all or some the hazardous substances or materials (such as soil) containing those hazardous substances, LESSOR agrees to sign any necessary waste manifest associated with the removal, transportation and/or disposal of such substances.

25. CASUALTY. If a fire or other casualty damages the Property or the Premises and impairs LESSEE's Use, rent shall abate until LESSEE'S Use is restored. If LESSEE's Use is not restored within 45 days, LESSEE may terminate this Agreement.

26. CONDEMNATION. If a condemnation of any portion of the Property or Premises impairs LESSEE's Use, LESSEE may terminate this Agreement. LESSEE may on its own behalf make a claim in any condemnation proceeding involving the Premises for losses related to LESSEE's communications equipment, relocation costs and, specifically excluding loss of LESSEE's leasehold interest, any other damages LESSEE may incur as a result of any such condemnation.

27. APPLICABLE LAWS. During the Term, LESSOR shall maintain the Property in compliance with all applicable laws, EH&S Laws, rules, regulations, ordinances, directives, covenants, easements, consent decrees, zoning and land use regulations, and restrictions of record, permits, building codes, and the requirements of any applicable fire insurance underwriter or rating bureau, now in effect or which may hereafter come into effect (including, without limitation, the Americans with Disabilities Act and laws regulating hazardous substances) (collectively "Laws"). LESSEE shall, in respect to the condition of the Premises and at LESSEE's sole cost and expense, comply with (i) all Laws relating solely to LESSEE's specific and unique nature of use of the Premises; and (ii) all building codes requiring modifications to the Premises due to the improvements being made by LESSEE in the Premises. It shall be LESSOR's obligation to comply with all Laws relating to the Property, without regard to specific use (including, without limitation, modifications required to enable LESSEE to obtain all necessary building permits).

28. TAXES.

(a). LESSOR shall invoice and LESSEE shall pay any applicable transaction tax (including sales, use, gross receipts, or excise tax) imposed on the LESSEE and required to be collected by the LESSOR based on any service, rental space, or equipment provided by the LESSOR to the LESSEE. LESSEE shall pay all personal property taxes, fees, assessments, or other taxes and

charges imposed by any Government Entity that are imposed on the LESSEE and required to be paid by the LESSEE that are directly attributable to the LESSEE's equipment or LESSEE's use and occupancy of the Premises. Payment shall be made by LESSEE within 60 days after presentation of a receipted bill and/or assessment notice which is the basis for such taxes or charges. LESSOR shall pay all ad valorem, personal property, real estate, sales and use taxes, fees, assessments or other taxes or charges that are attributable to LESSOR's Property or any portion thereof imposed by any Government Entity.

(b). LESSEE shall have the right, at its sole option and at its sole cost and expense, to appeal, challenge or seek modification of any tax assessment or billing for which LESSEE is wholly or partly responsible for payment. LESSOR shall reasonably cooperate with LESSEE at LESSEE's expense in filing, prosecuting and perfecting any appeal or challenge to taxes as set forth in the preceding sentence, including but not limited to, executing any consent, appeal or other similar document. In the event that as a result of any appeal or challenge by LESSEE, there is a reduction, credit or repayment received by the LESSOR for any taxes previously paid by LESSEE, LESSOR agrees to promptly reimburse to LESSEE the amount of said reduction, credit or repayment. In the event that LESSEE does not have the standing rights to pursue a good faith and reasonable dispute of any taxes under this paragraph, LESSOR will pursue such dispute at LESSEE's sole cost and expense upon written request of LESSEE.

29. NON-DISCLOSURE. The Parties agree this Agreement and any information exchanged between the Parties regarding the Agreement are confidential. The Parties agree not to provide copies of this Agreement or any other confidential information to any third party without the prior written consent of the other or as required by law. If a disclosure is required by law, prior to disclosure, the Party shall notify the other Party and cooperate to take lawful steps to resist, narrow, or eliminate the need for that disclosure.

30. MOST FAVORED LESSEE. LESSOR represents and warrants that the rent, benefits and terms and conditions granted to LESSEE by LESSOR hereunder are now and shall be, during the Term, no less favorable than the rent, benefits and terms and conditions for substantially the same or similar tenancies or licenses granted by LESSOR to other parties. If at any time during the Term LESSOR shall offer more favorable rent, benefits or terms and conditions for substantially the same or similar tenancies or licenses as those granted hereunder, then LESSOR shall, within 30 days after the effective date of such offering, notify LESSEE of such fact and offer LESSEE the more favorable offering. If LESSEE chooses, the parties shall then enter into an amendment that shall be effective retroactively to the effective date of the more favorable offering, and shall provide the same rent, benefits or terms and conditions to LESSEE. LESSEE shall have the right to decline to accept the offering. LESSOR's compliance with this requirement shall be subject, at LESSEE's option, to independent verification.

31. MISCELLANEOUS. This Agreement contains all agreements, promises and understandings between the LESSOR and the LESSEE regarding this transaction, and no oral agreement, promises or understandings shall be binding upon either the LESSOR or the LESSEE in any dispute, controversy or proceeding. This Agreement may not be amended or varied except in a writing signed by all Parties. This Agreement shall extend to and bind the heirs, personal representatives, successors and assigns hereto. The failure of either party to insist upon strict performance of any of the terms or conditions of this Agreement or to exercise any of its rights hereunder shall not waive such rights and such party shall have the right to enforce such rights at any time. The performance of this Agreement shall be governed, interpreted, construed and regulated by the laws of the state in which the Premises is located without

reference to its choice of law rules. In the event of any dispute between the Parties resulting in litigation, venue shall only be proper if filed in the Court of Common Pleas of Montgomery County or the United States District Court for the Eastern District of Pennsylvania. Except as expressly set forth in this Agreement, nothing in this Agreement shall grant, suggest or imply any authority for one Party to use the name, trademarks, service marks or trade names of the other for any purpose whatsoever. LESSOR agrees to execute a Memorandum of this Agreement, which LESSEE may record with the appropriate recording office, and LESSEE shall be solely responsible for all costs of recording and payment of any and all required taxes arising therefrom. The provisions of the Agreement relating to indemnification from one Party to the other Party shall survive any termination or expiration of this Agreement.
