MISSION STATEMENT

The Upper Merion Township Police Department is pledged to engage in a cooperative effort with our citizens to achieve and maintain a superior quality of life within our community. To the greatest extent possible, our actions will reflect the priorities of our citizens. Remaining committed to the principles of honesty, integrity, and professional ethics, we will work diligently to reduce the incidence and fear of crime and promote an atmosphere of well being. Our efforts are aimed at helping Upper Merion Township continue to be a good place to live, visit, work and worship.

GENERAL INFORMATION

The Upper Merion Township Police Department provides a full range of police services on a 24-hour-a-day basis. The Department services a geographical area of 16.7 square miles and is located in Montgomery County which is approximately 20 miles northwest of Philadelphia.

The Township is bordered by a 4.4 mile section of Route 76 (Schuylkill Expressway); a 5.2 mile section of the Pennsylvania Turnpike; and a 2.2 mile section of the County Line Expressway (Route 422), which are all patrolled by the Pennsylvania State Police.

Historic Valley Forge National Park, being mainly in Upper Merion Township, brings prestige and national recognition to the area. Also located in the Township is a large industrial area and the King of Prussia Plaza, which is one of the largest shopping complexes in the country. In addition to the industrial and business aspect of our community, we also host three elementary schools, one middle school and one high school. Although the resident population is 28,395 (2010 census), the commercial/transit/industrial composition invites an estimated daytime population of over 200,000 people.

The Upper Merion Police Department continually seeks to partner with our culturally diverse community to maintain a safe environment for our residents and the Township's many visitors.

On the Township's web-site (www.umtownship.org) various types of information can be accessed concerning the department's activities; including Crime Alerts, Weekly Crime Bulletins, Safety Tips, Community Response Unit, and the Lock for Life Program. Follow us on Twitter @UMerionPD.

2015**

2015 COMMUNITY RESPONSE UNIT

In March of 1997 the Upper Merion Police Department established a full-time Community Relations Unit which has established a variety of programs to educate our residents and business community. In January of 2013 the Police Department changed the name to the Community Response Unit, along with the structure, to better respond to the needs of the Community, while keeping the integrity of the programs that were started and to add new programs with the intent of expanding services to the community. The change was also intended to highlight the fact that the entire department is community relations oriented and that community policing will remain very active throughout the Township.

POLICE CHAPLAIN PROGRAM

The Police Department established a Police Chaplain Program in an effort to aid the Department in its efforts to advance the Community Policing Concept. The program is a voluntary partnership between the Clergy and the Police Department to help improve the quality of life for residents and the Police Department. The partnership will endeavor to help maintain strong community relations through the exchange of vital information that will help residents better understand police activity and procedures. The Chaplain Program will make counseling and pastoral services available to our Community, and the members and families of the Police Department, whenever such services are requested. The Police Chaplain, who has training in pastoral care in the the world of law enforcement, will offer counseling and spiritual care during times of crisis, emergencies or turmoil, and the aftermath. There are currently seven clergy from different denominations who volunteered for this program, and are "on call" whenever their services are requested.

COP CAMP

The Police Department in cooperation with Upper Merion Park and Rec Department sponsored the 1st Annual Cop Camp at Heuser Park in 2013. The objective of the Camp was to encourage better understanding between the Police and area youth. The Cop Camp "Cadets" were taught teamwork, lessons in personal safety, respect for themselves and respect for others, as they participated in exciting well organized police activities. The camp was open to well-disciplined boys and girls who were township residents and who provided a good conduct letter from their school. The Cadets participated in physical activities and regimented police training. Some of the exciting sessions included Accident Investigation, Traffic stops with the Traffic Safety Unit, Hostage Rescue with the SWAT Team, K-9, Bicycle Unit, and Crime Scene Investigations with Upper Merion Detectives along with other aspects of police work. Teamwork and physical conditioning were accomplished by using games like tug of war, kickball, and an obstacle course along with running and other competitive physical activity. The Cadets also met Firefighters, Paramedics and numerous Police Officers. The Camp concluded the week with a graduation ceremony and a pizza party. The Police Department will continue with this successful program with the 4th Annual Cop Camp in 2016.

MED Rx RETURN

The Police Department joined with the Montgomery County District Attorney's Office to provide a method where people can safely dispose of unused prescription and over the counter medications. A Med Rx Return Box was placed in the police lobby where it is accessible 24 hours a day, 7 days a week. Prescription medication, patches, pet medication, over the counter medications, and vitamins are just a few examples of the medications that can be collected. No needles, liquids or inhalers can be collected at this site. These returned medications will then be turned over to the District Attorney's Office on the National Drug Take Back Initiative that they sponsor twice a year in October and in April, to be properly disposed of where the effects of these drugs do not end up in the rivers, streams and ground water. In 2015 we collected over 337 lbs. of prescription medication.

COMMUNITY RESPONSE ACTIVITIES AND PROGRAMS IN 2015

Internet Safety, DA National Drug Take Back Initiative, Tours of Police Headquarters, Bullying Education, Township Adventure Day Camp, Child Fingerprinting, Salvation Army Food Drive, Water Ice Coupon Program, Upper Merion Farmers Market, Police Chaplain Program, Citizens Advisory Board, School Walk Through Program, C.A.S.T. (Community Alliance for a Safer Tomorrow), presentation to Upper Merion Area School District Staff on Police Response to an Active Shooter, Cop Camp, Senior Scam Programs, Lock for Life Program, Coffee with the Cops, Police Week Demonstration, Scout Fingerprinting Merit Badge, Career Days, Survival 101, Med Rx Return, Seat Belt Safety Awareness in cooperation with the Montgomery County Health Department and PennDOT.

2015

CALLS FOR SERVICE

2011	26813

AVN PAID	507	435	296	485	513

2015

DUI ARRESTS

(Driving Under the Influence of Alcohol or Drugs)

The patrol division arrested 66 drivers for driving under the influence in 2015. The same number that were arrested in 2014. Several members of the department participated in the Valley Forge Area DUI Enforcement Team checkpoints throughout the year.

2015

911 HANG-UP RESPONSES

911 hang up responses occur when a caller contacts the Montgomery County 911 Center and hangs up before providing any information. The caller's phone number and address are automatically displayed on the County computer screen. If a County Dispatcher is unable to get an answer on call back, then the location data is transferred to our department. Two officers are dispatched to the location to check on the situation. The vast majority of 911 hang-up calls turn out to be caused by accident, yet each one must be treated as a potential emergency. The Police Department continues their efforts to reduce nuisance locations for 911 hang-up calls.

2015

PARKING TICKETS

264 parking tickets were issued in 2015 which was an decrease of 83 from 2014.

PARKING TICKETS
