Review of Scholarship Applications:

Mr. Montich advised that the scholarship applicants are now identified by numbers, not by name. It was noted that one applicant would have to be disqualified, as the student did not meet the residency requirements. A discussion ensued about another student applicant concerning need base.

Due to the exceptional scholarship applications this year, in addition to the General Von Steuben scholarship (\$10,000), it was decided to award three Ronald G. Wagenmann scholarships, each in the amount of \$5,000.

After a review of all of the scholarship applications, it was moved by Mr. Karen, seconded by Mr. Zerfing, all voting "Aye" to accept the scholarship award recommendations as discussed, totaling \$54,000, and to present all of the recommendations to the Board of Supervisors (totaling \$152,385,00) on April 25, 2019.
