

**Upper Merion Parks & Recreation
Co-ed Softball League
2023 LEGAL Bat List**

The following list is comprised **ONLY** of the bats **LEGAL** for play. Bats that are not on the list are not permitted to be used in the league, absolutely no exceptions.

Only ASA/USA Softball-certified (single-wall and wooden) bats on this list are allowed for league play.

NO multiwall, composite, two-piece, EST bats, etc. are allowed in this league.

Safety is our main concern. A player caught using an illegal bat will be ejected from the game, serve a one game suspension and will result in a forfeit for the team. A second offense will result in dismissal of team from the league without a refund.

Only Single-wall versions of the below list are approved for use in this League:
