Advanced Pickleball Open Gym

Advanced Pickleball is for individuals who have a self ranked rating of 4.0 or higher according to the USA Pickleball Association guidelines. 4.0 is categorized as: Players who have achieved improved stroke dependability with directional control on most medium speed balls and some harder hit balls. They still need to develop more depth and variety with their shots, but are exhibiting more aggressive net play, are anticipating their opponent's shots better, and are developing teamwork in doubles. A more detailed description of a 4.0 player rating can be found at: <https://usapickleball.org/tournaments/tournament-player-ratings/player-skill-rating-definitions/>
