

Emergency Medical Technician (Part-Time)

Upper Merion Township, located in King of Prussia, PA, is looking for energetic and highly motivated ***Emergency Medical Technicians*** who will report to the Chief of Fire and Emergency Medical Services, EMS Captains, and Emergency Medical Director. The ***Emergency Medical Technicians*** will perform duties associated with providing evidence-based emergency medical care to the sick and injured in accordance with all applicable laws, regulations, standards, and the EMS protocols of Upper Merion Township Fire & EMS.

The *Emergency Medical Technicians* will be responsible for (including, but not limited to):

Key Responsibilities:

- Provide emergency medical care to patients in critical situations.
- Use specialized equipment for patient stabilization and transport.
- Assess, treat, and transport patients following PA State EMS protocols.
- Coordinate with other first responders (police, fire department) during emergencies.
- Collaborate with hospital and emergency department staff for seamless patient handover.

Maintenance of Equipment & Vehicles:

- Ensure that ambulances and all medical equipment are clean, well-maintained, and ready for use.
- Perform routine checks and restock medical supplies as needed.

Compliance & Continuing Education:

- Maintain current certification and stay updated on medical advancements and protocol changes.
 - Attend training, workshops, and continuing education as required by the state or employer.
 - Adhere to all local, state, and federal emergency medical services regulations.
-

Required Qualifications:

- **Certification:** Pennsylvania Emergency Medical Technician certification (required), National Registry of Emergency Medical Technicians (NREMT) certification (preferred but not required).
 - **Education:** High School Diploma or GED, successful completion of an EMT Program.
 - **Licensing:** Valid PA driver's license and clean driving record.
 - **Experience:** Experience as an EMT is preferred, but new graduates may be considered.
 - **Physical Requirements:** Ability to lift and move patients, work under high-stress conditions, and respond quickly to emergencies.
 - **Other Skills:** Strong interpersonal communication, critical thinking, decision-making, and teamwork skills.
-

Working Conditions:

- Work is performed in various environments, including on-scene at accidents, natural disasters, and other emergency sites.
- Exposure to potentially dangerous situations, including working near fire, toxic chemicals, or infectious diseases.
- Physically demanding job requiring lifting, bending, and prolonged standing or kneeling.
- Work in all weather conditions and operate in high-stress, fast-paced environments.

Benefits:

- Health insurance, dental, vision & prescription coverage
- Wellness Incentives
- Retirement Plans
- Paid time off
- Opportunities for professional growth and continuing education assistance

Part-Time Pay:

\$35.00/Hour
