

The Upper Merion Farmers Market is an award-winning, producer-only market conveniently located in the heart of King of Prussia. The Market aims to support the local economy, enrich the quality of life in Upper Merion, and promote public health and Pennsylvania’s sustainable agriculture.

The beautiful Nor-View Farm on 670 N. Henderson Road is now the home for the Upper Merion Farmers Market, right around the corner from the Township Building. The Farmers Market is perfectly situated in the center of Nor-View Farm, which also features farm animals, an ice cream stand, and a playground.

Every Saturday 10:00AM to 2:00PM from mid-May through late November, the Upper Merion Farmers Market becomes the “Town Square” for our Upper Merion Community. Unlike other markets, the Upper Merion Farmers Market only accepts vendors from within a 100-mile radius of Upper Merion Township.

With great crowds weekly and special events throughout the season, the Upper Merion Farmers Market is a community favorite! In addition to farm fresh vegetables, locally sourced products, and artisans, there’s live music, a food truck and beer vendor each weekend!

The Mission of the Upper Merion Farmers Market:

- Support the local economy by providing fruits, vegetables, and other products directly to the consumer from the producer
- Enrich the quality of life in Upper Merion through community interaction in a public space
- Broaden public health and environmental benefits of sustainable agriculture in Pennsylvania

The Upper Merion Farmers Market operates under the umbrella of Upper Merion Township and is overseen by the Farmers Market Advisory Board.
