Note: A \$3,500.00 certified check to establish a Professional Review Escrow Account for the project shall be submitted at the time of application. These funds are collected by the Township to pay for fees arising from the review of the application by the Township's consultants. If the escrow account is depleted during the review process, the Township may require the deposit of additional escrow. If a balance remains in the escrow account at the end of the review process, the applicant may request the release of the escrow from the Township.
